**TO WHOEVER IT MAY CONCERN**

This is to certify that **Ms. Jesna Vincent**, student of Christ College, Kerala interned with CRY Chennai - Volunteer Action Division for a period of 4 weeks, during the period Feb 1<sup>st</sup>, 2019 to Feb 28<sup>th</sup>, 2019.

Jesna worked on strengthening a children's collective in Notchikuppam, a fishing hamlet along the coast of Marina Beach. She along with a team planned and conducted sessions for the children on life skills and also assisted them with their academics with special focus on subjects the children were weak in.

It was a pleasure to work with Jesna as she was always forthcoming in taking up any responsibility assigned to her. Despite language barriers, she stepped up to the challenge and was committed to the task assigned to her.

During the course of the internship period, we found Jesna to be dedicated to the work assigned to her. We hope that this Internship experience has helped sharpen her overall understanding on child rights and she would be able to perform well in any similar future assignments and remain an advocate of child rights

We trust that Jesna will continue to keep in touch with CRY and work towards the building of a Child Rights movement.

We wish her all the Best!

With Regards,

**Michelle Baxter**
