Welcome

INTRODUCTION

Christ College was started in 1956, by the Devamatha province of the Carmelites of Mary Immaculate(CMI), an indigenous religious congregation, founded in 1831 by St. Kuriakose Elias Chavara, a saintly priest and a versatile genius, who envisioned education as a tool for liberation and development.The college was elevated to autonomous status which gives freedom in admission, curriculam formation, evaluation and declaration of results.

Founded as per the provisions of the Indian Constitution, part III, Article 30 (1) and administered by Christ College Educational Society (Regd. No. 137/75), this College is affiliated to the University of Calicut. Christ College is dedicated to Christ, and has as its motto 'Jeevith Prabha' which means the 'Light of life'.

OUR VISION

Christ College is part of a century-old tradition of CMI education which is at its heart Christian and specifically Catholic. It has a vision of moulding an enlightened generation by developing the potential of individuals through quality higher education and moral value inculcation.

OUR MISSION

The College seeks to help the students to be intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable citizens of our country. Therefore, our primary mission is to equip our students with all skills and talents which will help them to achieve their cherished goals of life. They should be trained in such a way that they take the lead in creating a just and humane society, where the dignity of the human person is respected and the poor and the marginalized are given special care.

WE STAND FOR...

Christ College envisages an enlightened and altruistic society, emancipated from the clutches of 'Adharma' and 'Ahamkara' through education. Hence this institution is open to all students irrespective of their caste or creed. They are accepted as they are and are helped to grow in their cultural, social and religious tradition. Those admitted in this institution, will also have the privilege of getting acquainted with the person of Jesus Christ and his Gospel. Being an institution established by and for a minority community based on religion, preference will be given to Syrian Catholics in admissions and appointments. It is our obligation to give special concern for the faith formation of the Christian youth.

The management believes that the secret of success of our College is a community of teachers who are committed to their vocation by being professionally competent, morally upright and just and humane in dealings.
