The best achievement of the sports day was that the college won the best Sports college award that year. On 8th March 2017, the Union celebrated women's day under the guidance of Rev Fr Jose Thekkan by giving lighted candles to them and conducted a rally at the college. Another campaign conducted by Union was 'Pothichoor'. It was first conducted on Oct 18 2016 after which, the campaign continued every month. Students volunteered to bring individual meal packs from their homes and to be distributed among the needy as well as Medical College inmates. Food parcels were collected in the morning and was distributed without hindering the class hours of students. The College magazine was published during next academic year.
