Major Suggestions-

- * 1st Sem MA Economics: Core Course III Paper - Indian Economy
- * 2nd module substitution by the introduction of reform based syllab & Economic planning & its model, replacement of NITI Ayog.
- * II Sem MA - Micro Economics - Replacing macro theories of distribution with theories of distribution & adding Neo - Classical.
- * IIIrd Sem MA - In International trade - inserting the impact of Globalization on IN Trade, Introduction of BRICS.
- * IVth Sem MA - In International Finance inserting Mint parity theory & distinction between BoP & BoT.
- * Financial Market: Insert types of financial intermediaries; Banking & Non bank introduction of call money market, Collateral market, Difference between money and capital market; Delete money market and Capital market reforms
- * Vth Sem M-A. Research methodology - Inserting a new chapter; Types of research, types of sampling, OLS, Maximum likelihood methods, Eugene Values, Factor loading & factor analysis, one tailed and two tailed test, difference between methods and methodology, Research paradigm type I & type II error.
- * 1st Sem MA - Economics - Micro Economics, Introducing surrogate production function, VES, Translog production function.

The Department meeting held on 11/03/2019 unanimously decided to continue the same syllabus one more year (upto 2019-2020) without any change. And the Board of studies ratified the same.
