PREAMBLE:

To get a student employable and placed in an organization; over and above the subject knowledge he / she is expected to have the following:

- **Strong Fundamental Engineering Knowledge**
- **Information Technology related Multiple Technical Skills - Develop skills that add value.**

While Subject Knowledge would be provided by CHRIST COLLEGE (AUTONOMOUS) IRINJALAKUDA, THRISSUR. Networkz Systems will equip the students with required industry specific Information Technology skills.

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidate. This is because of the skill gap that exists between the student and industry requirements. This skill gap is sought to be minimized for the students of **CHRIST COLLEGE (AUTONOMOUS), IRINJALAKUDA, THRISSUR** by facilitating them to acquire the appropriate and relevant skills at CHRIST COLLEGE (AUTONOMOUS), IRINJALAKUDA, THRISSUR itself through this program.

What Networkz systems will provide?

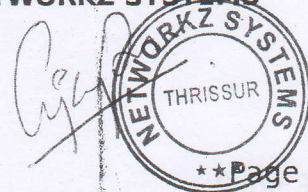

1. MATLAB training.
2. Industry Integrated training programs for Computer Science, Information Technology, Electronics and Communication, Electronics and Instrumentation branch students.
3. A Qualified and **CPD** certified Trainer for handling the training program.
4. The trainer and the training will be monitored by **CPD (Curriculum and Product Development team of Networkz Systems)**.
5. Train the students on the latest tools and techniques and keep them aware of the Industry expectations.
6. Periodical assessment of the progress of students will closely monitored by CPD.

What College authorities should provide?

1. Required number of Computers with the required software and internet facility should be provided in the Lab for the Practical sessions.
2. Windows 10 or latest version of Linux is preferred for computers.
3. An environment conducive for taking class with LCD projector and white board with marker.
4. To ensure all students attend the training program scheduled for them.
5. A Training Coordinator to monitor the daily student attendance and student feedback.

FOR CHRIST COLLEGE
