## IMPLEMENTATION OF STARTUP POLICY

In order for the formulation of Innovation and Start-up Policy for students and faculty at Christ College, a committee has been formulated. The details of the committee members are given below.

- Prof. Dr. Sudheer Sebastian K. - Dean of Innovation, Entrepreneurship and Startup
- Dr. Linda Mary Simon - Faculty Coordinator
- Nirmal Manoj –IBM Students Coordinator
- Adhidev - Student Coordinator

This committee is responsible for suitably framing the innovation and start-up policy according to the guidelines given in the NISP-2019 draft published by the Ministry of Human Resource Development (MHRD), Government of India. According to NISP-2019, the entrepreneurial plan should be the responsibility of the NISP coordinator that must bring in the required commitment and be well understood by the higher authorities.

Objectives:

1. The goal is to spread awareness among students, faculty, and staff members about the importance of entrepreneurship and its role in career development.
2. To provide guidance to budding entrepreneurs during the different phases of ideation, innovation, creation, and production.

Functions:

1. To conduct various innovation and entrepreneurship-related activities.
2. Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
3. Arrange interaction with entrepreneurs and create a mentorship scheme for student entrepreneurs.
