## Details of Activities under MoU

### Introduction

College updates the Examination procedures and integrates ICT in to examination. There are forty seven regular UG and PG programs in Christ College and per year around 450 Question papers are to be generated. The introduction of Outcome Based Education has necessitated the mapping of questions with Blooms Taxonomy. A software is essential for the generation of Question papers safeguarding the secrecy of Examinations. The academic council of the college decided to purchase suitable question bank software to be used by the office of Controller of Examinations.

Ipsr solutions ltd, Merchant's Association Building, M.L. Road, Kottayam is a vendor which supplies the question bank software QnSmart. After several discussions and deliberations both the parties entered in to an agreement on 08 Nov 2019.

### Activities conducted:

1. MoU was signed on 08 November 2019. A workshop on online generation of Question bank was conducted on the same day. Sixty-Nine teachers participated.
2. Workshop on OBE was conducted on 27-01-2021 at Christ College by IPSR. Thirty-two teachers participated.
3. Question bank software is in use in the Office of controller of Examinations. Four hundred and Fifty Courses are added and 1200 question papers are already generated.
