**THAVANISH,
Christ College (Autonomous),
Irinjalakuda**

This letter of appreciation is issued to THAVANISH, the social service organization of Christ College (Autonomous) Irinjalakuda for coming forward to be a stakeholder of HOPE (Helping Others to Promote Education) Project. Being the offspring of a prime knowledge-imparting centre in the country, THAVANISH's involvement with an educational project is a model to follow. We whole heartedly thank you for your invaluable and relentless support in launching the project and in continuing with its noble cause. We look forward to receiving the same encouragement from your end in the days to come as well.
