Dear All,

Greetings from CISI!

It was a pleasure connecting with you all last week, CISI is very keen to get associated with your esteemed institute. Further to our discussion PFA the draft MoU, request you to please go through the same and let us know in case of any changes.

Awaiting a positive revert.

Thanks

To: "Frechen, Manfred" <Manfred.Frechen@leibniz-liag.de>, Manfred.Frechen@googlemail.com

Dear Prof. Manfred,

Hope you are doing well. The preparations for our conference is going well. We have launched a website with all details. Please follow the link for registration and kindly send me an abstract in the template given in the website <http://christcollegeijk.edu.in/gem2019/>

You may send the abstract to my email id or to gem2k17@gmail.com. Please circulate it among your students or anyone else interested in participating in the conference.

I also send you a draft of the MoU that we had discussed during my last visit between LIAG an Christ. I am hoping to have it hand over by you to our Principal in the presence of Secretary, Ministry of Earth Sciences, Govt of India in the inaugural session of the conference. I had informed about this to our Principal and he is very happy about it. I hope it will work well.

Thank you for your time and consideration

Best regards, Linto

To: Linto Alappat <alappatlinto@gmail.com>

Dear Linto,

thanks for reminding me, returned yesterday morning from a trip to Moscow. There is one big change here at LIAG upcoming. From 23 November I will be (unfortunately) again the Acting Director of LIAG. So, I will start proceeding it from 23 November !!!

In-charge of Principal

Therefore, Christ College welcome to the Indian Luminescence Conference and, if time, I will come only to Irinjalakuda (but then as Acting Director of LIAG). Please, keep me updated with times and deadlines !!!

All the best

Manfred

Dear Prof. Manfred,

Thank you for your reply. I hope you had a nice time at Moscow. I am happy to hear that you are becoming the acting Director of LIAG again. Congratulations.. Please make it to Kerala in January for our meeting and for the fieldwork that we had planned after that. I have got a new PhD student working with me now and she will arrange for the fieldwork. I have announced in the website and in brochure that you are coming in the list of invited speakers. The arrangements are going well and I hope everything will come in place regarding funding and all. Please send me an abstract of your talk when you are free. I will keep you posted with new developments.

Best regards, Linto.

To: "Frechen, Manfred" <Manfred.Frechen@leibniz-liag.de>

Dear Prof. Manfred,

Hope you are doing well and everything going fine with your new assignment as Director of LIAG. I can understand that you must be very busy with additional responsibility of the institute. I wanted to remind you about the conference and also about the MoU draft that I had sent you earlier. I request you to kindly do the needful for the MoU. I am insisting on it only because, the recent mode of Institutional rating in India has high value for MoU between International Institutions. It will not have any financial or administrative liabilities for LIAG. Please provide me with the details of your talk at the conference in January, so that I could update it in the program details. We may also go for a field visit, possibly before the conference at different part of Kerala for sample collection. I have a student, who started her PhD work at Christ and I have requested her to plan the trip according to your convenience. I am working with the comments on the manuscript and I hope we could submit it soon. Thank you for your time and help.

Best regards, Linto

Wed, Dec 5, 2018 at 7:26 PM

To: Linto Alappat <alappatlinto@gmail.com>

Dear Linto

The MoU is at our administration for remarks (or administrative acceptance) and expected back until end of next week, so should be ready before Christmas.

Presentation in January

How about this one?

Manfred Frechen

Dating Sediments by Luminescence and Electron-Spin Resonance Dating

Do I have to write a short abstract?

Fr. Dr. Jolly Andrews

Assistant Professor-

In-charge of Principal

Christ College (Autonomous)

Irinjalakuda

Concerning the trip to Irinjalakuda, we have to fix the dates next week. I will not be able to stay long time because

of the situation at the institute, evaluation report and the written answer of myself, and the annual scientific report with deadline 30 January. But would like to stay for conference and 2-4 days in the field.

All the best

Manfred

Wed, Dec 5, 2018 at 7:37 PM

Dear Prof. Manfred,

Thank you very much for your prompt reply. I am happy to hear that the MoU is with administration now and being readied.

The title looks good and please send me a short abstract if possible, so that I could include it in the abstract volume. I believe, it would be better to have the field work before the conference and you could plan your return after the conference, may be by 20 or 21st of January, so that you will have sufficient time for the evaluation report once you return to LIAG. How about your students. Are they planning to come. I had also written to Paul, but no reply yet. Lara said she will try to come. I have offered her to provide with the local hospitality. Please let me know your travel plan once its ready, accordingly I will plan the field visit.

Kind regards, Linto

Fri, Dec 14, 2018 at 4:37 PM

Dear Linto,

the MoU is now (after the lawyer) at the last administrative person and so I hope to receive it latest next week for final signature.

I will do my travel bid to India now and will ask for the time between 13 and 20 January. I am really sorry, that I cannot stay longer this time but until end of January we need to finish the annual report 2018 and my presence is mandatory. The same with the time before 11 January, I need to be there to finalize the reply to our evaluation report. Do, only one week in Kerala, but better than nothing.

I will keep you informed about flight details, final MoU etc.; I hope that Lara also manages to come to Irinjalakuda.

Dear Prof. Manfred,
Assistant Professor-
In-charge of Principal

Christ College (Autonomous)
Irinjalakuda

Thank you very much for your email and I am happy that the MoU is moving forward to the final stage. As per your travel plan I could arrange a field visit before the conference. Please let me know once you have the travel plan ready.

Kindly send me a short abstract on your talk here to add in the abstract volume. If any of your students want to give a poster in the meeting, which may be sent with you, in case if they are not coming in person, please tell them to send an abstract.

Looking forward to meeting you in January.

Best regards, Linto

To: elumalaiv@unizulu.ac.za, VETTRIMURUGAN ELUMALAI <srivetri@gmail.com>

Dear Prof. Elumalai,

Hope you are doing well. As per our discussion last year at Kerala in reaching an MoU between our Institutions in India and South Africa, I wish to inquire about the possibility of visiting your University during early September this year. If your University is interested in reaching in such an agreement for research, academic collaboration and cultural exchange, the representatives from our Institutes are willing to come to South Africa, preferably during 1-4th of September, 2019. I believe such an agreement will give a renewed interest in extending our research collaborations not only in the area of Earth Sciences, but also in other areas of science and arts. I request you to kindly give your University opinion on the same.

Thank you.

Best Regards, Linto Alappat

WHEREAS,

Established in 1960, The University of Zululand (UNIZULU) is located within the Umhlathuze Municipality, the fastest growing industrial hub and employer in northern KwaZulu-Natal. UNIZULU is a comprehensive University offering approximately 252 accredited degrees, diploma and certificate courses across its Faculties of Arts; Education; Science and Agriculture; and Commerce, Administration and Law at the KwaDlangezwa and Richards Bay campuses.

Popular courses include Law, Education, Nursing Science, Agronomy, Hydrology, Public Relations, Biochemistry, Microbiology and Sport Science. UNIZULU students have the opportunity to specialise their degrees according to their areas of interest, within their respective fields. In addition, the University believes in promoting a culture of learning in an environment that is conducive to personal growth and academic development. To further academic development, assistance is provided through the provision of augmented and foundation courses to unleash students' potential.

Hello Ms. Viji Viswanathan,
Christ College (Autonomous), Irinjalakuda, Kerala, India

Welcome to Red Hat Academy! Congratulations on being accepted as one of our partners. We are excited to have you in our elite group of affiliated high schools, colleges and universities.

You will soon get the details about your Red Hat Academy Learning Portal (RHALP). In that you can navigate to the Manage Academy Instructors page, Update your contact information and Start adding instructors who will be teaching at your university etc.

After accessing Red Hat Academy Learning Portal (RHALP), you can also review the following materials under the Get Support section: Portal features, Steps to set up new faculty or student users, How to set up labs, Welcome to the program etc.

In the meantime if you have any questions, please feel free to reach out to me. We cannot wait for you, your instructors and students to start the learning journey with Red Hat!

Thanks & Regards,

Shirish V Pandey

Red Hat Academy

Hello Instructor,

Congratulations! You have been added as an instructor at Christ College Autonomous Irinjalakuda by your university's RHA administrator.

To get started, please login to the [Red Hat Academy Learning Portal](#) using your RHN ID: cs@christ

After accessing our portal, review the following materials, under the [Get Support](#) section:

- Portal features
- Steps to set up new course or student user
- How to set up labs
- Welcome to the program

If you have any questions, please reach out to a member of our team at APAC-RHA-BDM@redhat.com. We can't wait for you and your students to start your learning journey with Red Hat!

Thank you,
 Red Hat Academy team
