Title : Report – Workshop on “*Visual Effect In Indian Cinema*”

A workshop was conducted by the Department of Computer Science on 14.01.2021. The workshop discussed in detail on Visual Effect in Indian Cinema. The Resource Person of the session was Mr. Jiio Cletus. There were 61 student participants in the session.

With new and improved technology pushing the boundaries of visual effects, the students turned into an audience that expected the screens to depict fantasies with the same authentic appeal as reality.
