This Memorandum of Understanding (herein after referred to as MoU) is entered into on 23-12- 2021 between Department of Geology, Sahrdaya College of Advanced Studies, Kodakara, PIN- 680684 Thrissur (Dt.) herein referred to as SCAS, and Christ College (Autonomous), Irinjalakuda, 680125, herein referred to as CHRIST COLLEGE.

The Department. of Geology of Sahrdaya College of Advanced Studies and Christ College (Autonomous) Irinjalakuda agree that the cooperation among faculty and students for academic exchange, project and field work collaborations would be mutually beneficial. Subject to mutual consent, the areas of cooperation will include any programme offered at either institution as thought desirable and feasible on either side and that both sides will contribute to the fostering and development of the cooperative relationship between the two institutions. Such an interaction may include cooperation in a variety of joint academic and educational activities such as

- Exchange of faculty
- Exchange of Students
- Students project or research activities
- Utilization of each other's library/ laboratory facilities
- Knowledge sharing
- Joint conferences and workshops

The terms of cooperation for each specific activity implemented under this MoU for cooperation shall be mutually discussed and agreed upon in writing by both institutions shall be mutually discussed by both institutions prior to the initiation of that activity.

The two institution hereby agree on the following terms to establish the joint collaborative activity.

1. Before collaborative activities are implemented, both parties shall discuss the activities involved to the satisfaction of each party and enter into specific activity agreement based on the mutually agreed objectives and outcomes of the relationship.
2. This MoU shall be become effective for two year from the date of agreement.
3. This MoU constitutes the entire agreement between the parties and may be amended as required with mutual consent among the parties.
4. The MoU shall be applicable to educational activities and institutional growth and development connected to each party.
5. The MoU is not considered to be a contract creating legal and financial relationships between the parties. Rather, it is designed to felicitate and develop a genuine and mutually beneficial exchange process/academic relationship, and so forth.
6. This MoU should be reviewed every year to evaluate the progress and quality of mutual cooperation. It may renewed for further years upon consent of both parties.
