ERP SOFTWARE

Linways is a multipurpose cloud-based ERP software used by Christ College. This bundled solution has all the features that are needed to Enhance Operations & Student Experience with College Management System. It helps to Track Student Progress and Manage Enrolment, Available on the Web and Mobile Platforms, save time and reduce errors with accessible features, Increase Efficiency and Accountability in your College, Improve Communication with Parents and Teachers.

The screenshot shows the staff login page for Linways AMS. The browser address bar displays 'christjkl.inways.com/staff/'. The page header identifies the institution as 'CHRIST COLLEGE (Autonomous) Irinjalakuda'. A tagline reads 'Linways AMS - Convenience and the ability to learn at any place and any time.' The page is divided into two main sections: 'Teacher Benefits' and 'Sign In'. The 'Teacher Benefits' section lists five advantages with green checkmarks: using previously created course materials, giving and assessing assignments online, conducting tests and exams online, posting notifications and results, remarking on student performance, and online attendance marking. The 'Sign In' section includes input fields for 'Username' and 'Password', a 'Sign in' button, a 'Sign in with Google' button, a 'Forgot Password?' link, and a 'Download App' button. A footer note states 'This web application is best viewed using FireFox 3, Safari 3, Chrome 3 or its higher versions.' The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying 'ENG IN', signal strength, and the time '11:42'.
