Report of the event

Nexus Academy Of Excellence is an Information Technology & Automation Company offering a wide range of services and solutions in India. The range of services includes Systems Design and Software Development, Systems Engineering, Hardware Engineering in IoT/Robotics and Education and Training.

The Christ College(Autonomous), Irinjalakuda and Nexus Academy Of Excellence joined together to organised a webinar on “Build your career in Android Development” with the aim to spread the awareness of Android Technology and provide to the students of the Christ College(Autonomous), Irinjalakuda an industry orientation and experience through NEXUS ACADEMY OF EXCELLENCE on 27th September 2020. The program was in online mode in Zoom platform. Around 230 students from our college and various college also participated. Our principal Fr. Dr. Jolly Andrews CMI inaugurated the function and our HOD Ms Viji Viswanathan delivered the Welcome speech. Mr. Dibin Muttikal was the Chief guest. The session was very interesting. Program coordinator Ms. Soumya P.S delivered the Vote of Thanks.
