Madame,

Sub: Appreciation letter

We express our appreciation to the Department of Social Science, Christ College, Irinjalakuda for placing your students with us for their field work. The students were keen learners and did the entrusted assignments to the best of their ability.

Their participation in field survey and geo tagged flood mapping at Poyya Grama Panchayath was a big support in the post flood studies in 2018. The students also organised people's consultation meetings in association with Poyya Grama Panchayat for flood documentation.

Looking forward to more fruitful association in future.

With regards

SP Ravi  
Director
