

NAME OF THE COURSE

DATA ANALYTICS & VISUALISATION

COURSE CODE

CPCC04

OFFERED BY

Department of
Computer Science,
Christ College Irinjalakuda

COURSE COORDINATOR

VANDHANA T V

PARTNERSHIP WITH

Strategist, Kochi

**DEPARTMENT OF COMPUTER SCIENCE
CERTIFICATE COURSE DETAILS**

COURSE DETAILS

ELIGIBILITY : PLUS TWO

TOTAL HOURS : 30 hours

DURATION : 2 months

COURSE FEE : 3000/-

ABOUT COLLEGE

Christ College (Autonomous), Irinjalakuda established in the year 1956 by CMI fathers has always been a place where young generations are moulded towards a bright future. College has excellent infrastructure, with state of the art laboratories, seminar rooms and lecture halls. The campus is Wi-Fi enabled. Presently College is home for 4500+ students, 200 teaching staff and 45 supporting staff. The strength of the College lies in its hardworking and tech savvy teachers who are eager to involve in all matters of students. The lush green campus with gardens and open gym is moving towards the next phase on education both offline and online.

WHAT IS THE COURSE?

Course code CPCC04 Data Analytics & Visualisation provide tools and techniques to learn corporate practices & reinforcing decision-making skill. These programs will help to improve the practical knowledge of the aspirant and help to analyze data, create models, and generate insights. It will further train you in extending your skills to industry strength analytics using the Microsoft Excel, Power BI, Tableau and Foundation of R and Python. Training is hands-on, with participants working along with instructors, learning within the context of real world, practical examples.
