

CMI EDUCATION POLICY STATEMENT

We, the Carmelites of Mary Immaculate, after the example of our founder St. Kuriakose Elias Chavara, consider education integral to the formation of the human person and for the fulfilment of his/her individual and social responsibilities.

Our educational endeavours aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable, who will champion the cause of justice, love, truth and peace and who are ever open to further growth.

The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and humane in dealings, and who grow in the true vision of education.

We aspire towards creating a just and humane society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national integration is upheld, and where the poor and the marginalized are specially taken care of.

We have to reach out to the families, primarily of the students, to assist them in their needs, to share their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension of their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and His Gospel. Being institutions established by and for a minority community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian youth.

Our institutions have to be open to society at large by making their resources available for the ongoing education and non-formal teaching.

For the realizations of this CMI goal of education, we expect students, parents and teachers to share this vision and to cooperate with us whole heartedly.

I PREFACE

1. INTRODUCTION

Christ College was started in 1956, by the Devamatha Province of the Carmelites of Mary Immaculate (CMI), an indigenous religious congregation founded in 1831 by St. Kuriakose Elias Chavara, a saintly priest and versatile genius, who envisioned education as a tool for liberation and development.

Founded as per provisions of the Indian Constitution, Part III, Article 30 (1) and administered by Christ College Educational Society, (Regd. No. 137 / 75), this college is a Minority Institution, affiliated to Calicut University and Reaccredited by NAAC with the highest grade 'A'. Christ College is dedicated to Christ, and has as its motto "Jeevitha Prabha", which means the "Light of Life".

Christ College is part of a century - old tradition of CMI education that is at its heart, Christian and specifically catholic. It offers an ideal vision of education that is aware of and responsive to the challenges of the nation's present situation.

2. OUR VISION

To moulding an enlightened generation by developing the potential of individuals through quality higher education and moral value inculcation.

3. OUR MISSION

To impart quality education, imbued with Indian ethos and enriched with universal values.

To mould our youth as intellectually competent, psychologically integrated and morally upright social beings.

To train them as responsible citizens of our nation who champion the cause of justice, love, truth and peace.

To emancipate them from the clutches of 'adharma' and 'ahamkara' to true freedom and fraternity.

The management believes that the secret of success of our College is a community of teachers who are committed to their vocation by being professionally competent, spiritually mature, humane in dealings, and ever open to new horizons of knowledge.

B.P.Ed. is a four year long Residential Professional Degree Programme with an intake of 30 students. Students below the age of 23, who have qualified plus two courses or its equivalent and have a general aptitude for sports activities, may opt for this programme.

3. Programmes at the Postgraduate level

The Postgraduate Programmes are offered under Choice Based Credit Semester System. The duration of the Programmes is 4 semesters distributed in a period of 2 years. The odd Semester starts in June and ends up in October and the even semester starts in November and ends up in March. Each Semester will have a minimum of 90 working days. The programmes offered here are:

Programme	Elective	Student Intake
M. Sc. Chemistry	Synthetic Organic Chemistry	12
M. Sc. Chemistry*	Synthetic Organic Chemistry	10
M. Sc. Zoology	Fishery Science	12
M. Sc. Physics	Advanced Electronics, Material Science & Experimental Techniques	12
M. Sc. Physics*	Condensed matter Physics, Laser fibre optics & Experimental Techniques	10
M. Sc. Environmental Science		12
M. Sc. Geology	Integrated (5 Years)	30
M. Sc. Mathematics		15
M. Sc. Botany*		12
M.Com	Financial Management	20
M. A. Economics		20
M. A. History		16
M. A. English Literature*		15
M.Sc. Applied Geology*		12
M.Sc. Statistics*		12
M.Sc. Clinical Psychology*		10
M.S.W.*		15
M.Sc. Computer Science*		10

* Self Financing

4. Research Programmes & Approved Guides

- (i) Ph.D. Zoology – Dr. Sudhikumar A.V. (Asst. Professor)
Dr. Leyon Varghese (Asst. Professor)
Dr. Bijoy C. (Asst. Professor)
Dr. Abhilash Peter (Asst. Professor)

- (ii) Ph.D. Chemistry – Dr. Binu R. (Asst. Professor)
– Dr. V. T. Joy (Asst. Professor & HoD)
Dr. Tom Cherian (Asst. Professor)
Dr. Arun S. (Asst. Professor)
Dr. Titto Varughese (Asst. Professor)
- (iii) Ph.D. Geology & Environmental Science – Dr. Linto Alappat (Asst. Professor & HoD)
Dr. Subin K. Jose (Asst. Professor)
- (iv) Ph.D. Physics - Dr. V. P. Joseph (Asso. Professor Retired)
Dr. Sudheer Sebastian (Asso. Professor)
Fr. Dr. Jolly Andrews (Asst. Professor)
Dr. Lakshmi M.
Dr. Benoy Anand
Dr. Sr. Reena Ittyachan
- (v) Ph.D. History - Dr. Sreevidhya V. (Asst. Professor)
- (vi) Ph.D. English - Dr. K.J. Varghese (Asso. Professor)
- (vii) Ph.D. Sanskrit - Dr. Vineetha E. (Asst. Professor & HoD)
- (viii) Ph.D. Commerce - Dr. Josheena Jose (Asst. Professor)
- (ix) Ph.D. Botany - Dr. Tessy Paul P. (Asso. Professor & HoD)
- (x) Ph.D. Statistics - Dr. Davis Antony Mundassery (Asso. Professor & HoD)
- (xi) Ph.D. Mathematics - Dr. Seena V. (Asst. Professor)

5. Undergraduate Programme Outcomes- B.A., B.Sc., B.Com.

At the end of a U.G. programme, a student of Christ College would have:

- PO1 **Critical Thinking Ability** enabling him to comprehend and analyse information, solve problems systematically and make clear reasoned judgements.
- PO2 **Proficiency in communication** equipping him to communicate effectively using both oral and written means, thereby improving his leadership qualities and chances of success.
- PO3 **Environmental consciousness** endowing him with an empathetic understanding of environmental issues and the necessity for sustainable development.
- PO4 **Ethical values** instilling in him tolerance and respect for people from diverse socioeconomic backgrounds and faiths.
- PO5 **Social responsibility** empowering him to intervene constructively in social issues and be an agent of transformation and development at different levels of life.
- PO6 **Love of learning** leading him to further explore his chosen field of study.
- PO7 **Holistic education** enriching him to actively participate in community life.

Undergraduate Programme Outcomes- B.Voc.

At the end of this U.G. programme, a student of Christ College would have:

- PO1 To provide skill training in a specific field with appropriate content of general education for professional excellence.
- PO2 To provide vertical mobility for higher secondary pass outs in vocational education in the university system without any age restriction.
- PO3 To integrate NSQF at undergraduate level in order to enhance employability of the graduates who are equipped with industry requirements to become the workforce with local, national and global demand.
- PO4 To ensure that the students have adequate knowledge and skills, so that they are work ready at different exit points of the programme and can help them in their entrepreneurship journey.

Postgraduate Programme Outcomes

At the end of a P.G. programme, a student of Christ College would have:

- PO1 A thorough knowledge in the chosen discipline
- PO2 An aptitude for research
- PO3 An independent and individual way of thinking and communicating ideas
- PO4 The ability to access and utilize knowledge and information for personal and general good
- PO5 The discretion to engage in academic work with academic integrity
- PO6 The knowhow to function in multidisciplinary domains
- PO7 A global perspective, facilitating appropriate interaction with people from various cultural, linguistic and religious backgrounds
- PO8 Decision-making and reasoning ability to find solutions to ethical problems
- PO9 A spirit of selfless service making him willing to serve the needy and the marginalized
- PO10 A heightened awareness of environmental issues and necessity of solving them

Ph. D Programme Outcomes

At the end of a Ph. D. programme, a student of Christ College would have:

- PO1 knowledge, intellectual abilities and techniques to carry out excellent research in the respective field.
- PO2 ability to discover, interpret and communicate new knowledge through original research of publishable quality which satisfies peer review.
- PO3 skills to act independently in planning and proposing research projects to Government and other funding agencies.
- PO4 ability to critically and creatively evaluate the current issues in the society and should demonstrate the leadership to tackle and resolve the problems

6. Undergraduate Programme Educational Objectives

During the first several years after completion of their Undergraduate studies,

- PEO 1 Graduates will be situated in growing careers including supportive and leadership roles or will be successfully pursuing an advanced postgraduate degree.
- PEO 2 Graduates will have accumulated additional expertise to remain globally competitive.
- PEO 3 Graduates will have demonstrated personal leadership and growth.
- PEO 4 Graduates will have been the best citizens of the country with high moral responsibility towards the society.

Vocational Programme Educational Objectives

During the first several years after completion of their Vocational studies,

- PEO 1 Vocational graduates will be situated in growing careers including technical and leadership roles or will be successfully pursuing an advanced postgraduate degree.
- PEO 2 Vocational graduates will have accumulated additional technical expertise to remain globally competitive.
- PEO 3 Vocational graduates will have demonstrated personal leadership and growth and will be disseminating the technical knowledge for the benefit of the society.
- PEO 4 Vocational graduates will have been the best citizens of the country with high moral responsibility towards the society.

Postgraduate Programme Educational Objectives

During the first several years after completion of their Postgraduate studies,

- PEO 1 Postgraduates will be situated in advanced careers including supportive and Leadership roles including teaching or will be successfully pursuing a research degree.
- PEO 2 Postgraduates will have accumulated additional expertise to remain globally competitive.
- PEO 3 Postgraduates will have demonstrated personal leadership and growth.
- PRO 4 Postgraduates will have been the best citizens of the country with high moral responsibility towards the society.

Ph. D Programme Educational Objectives

During the first several years after completion of their Doctoral studies,

- PEO 1 Graduates will be situated in leadership roles of creating and disseminating knowledge.
- PEO 2 Graduates will have accumulated additional expertise to pursue research and remain globally competitive.

PEO 3 Graduates will have demonstrated personal leadership and will be the flagbearers of education for the society.

PEO 4 Graduates will have been the best citizens of the country with high moral responsibility towards the society.

Total expected number of Students: 4000

Programme

Students passing Plus two with Science group are eligible to take B.Sc. Chemistry as main subject, Mathematics and Physics as the Complimentary subjects. Preliminary knowledge of Mathematics is a must for any serious study of the subject. Students with no knowledge of basic Mathematics at the Plus two level are advised to get special tuition in Mathematics.

M. Sc. course is limited to 16 students. Only students with a first class at degree level and 50 % mark in theory have a fair chance of success at the M. Sc. level. There is a wide range of areas of research at Ph.D. level. Information on the areas of research is available in the department. Chemistry Dept. in association with Physics Dept. also offers an interdisciplinary PG Diploma Course entitled Sustainable and Green Energy Technologies under UGC's innovative programme scheme

OUT COME BASED EDUCATION

PROGRAMME NAME	SHORT NAME	PROGRAMME CODE
Bachelor of Science, Chemistry	B.Sc. Chemistry	CCASCH
PPSO1	To find out the green route for chemical reactions for sustainable development	
PSO2	To acquire firm knowledge over fundamental theories, concepts of all branches of Chemistry and apply them to advanced studies	
PSO3	To be able to develop analytical thinking and apply the same for the understanding of underlining principles, proposing mechanisms, problem solving, identification of chemical species and arriving to logical conclusion.	
PSO4	To apply appropriate techniques for the qualitative and quantitative analysis of chemicals in laboratories and in industries.	
PSO5	To appreciate the achievements in Chemistry and to know the role of Chemistry in nature and in society.	
PSO6	To develop problem solving skills.	
PSO7	To familiarize with the emerging areas of Chemistry and their applications in various spheres of Chemical sciences and to apprise the students of its relevance in future studies.	
PSO8	To develop skills in the proper handling of apparatus and chemicals

Programme

I Christ College offers B.Sc. degree in Geology with Chemistry and Statistics as complimentary subjects. The eligibility for joining the program is higher secondary qualification with science stream.

- M.Sc. Environmental Science was started in January 2000 as a multidisciplinary course under the leadership of Dept. Geology & Environmental Science. The course is limited to 16 students. Science graduates with not less than 50% mark are eligible for admission.

The rank list for admission is prepared on the basis of marks obtained in the entrance test on topics related to Environmental studies and interview.

- The Department was elevated to the status of Research center in the year 2010, and students wish to pursue their Ph.D. in Geology and Environmental Science may join the Department either through clearing the University research admission test or with valid NET qualification.
- College has introduced M.Sc. Geology Integrated programme, first time in the State of Kerala with Chemistry, Physics and Mathematics as complimentary subjects in the year 2020 – 2021. The eligibility for joining the program is higher secondary qualification with science stream. Postgraduation in Geology offers a wide variety of research and job opportunities in India and abroad including in the software, mining and petroleum industries.

Dr. Narayanan V.A., M. Sc., Ph.D., (Adhoc)	9633290481

Programme

The College offers B.Sc. and M.Sc. programmes in pure Mathematics. These programmes help the students to build a strong foundation in Algebra, Analysis, Topology etc. Only students with Mathematics and allied subjects at the Plus Two level are eligible to apply for B.Sc. Degree in Mathematics. Being an allied subject for Physical sciences, it is taught as a Complimentary subject for Physics, Chemistry, and Computer Science students at the UG level.

M.Sc. Mathematics course was started in 2012, as a monumental cause of Golden Jubilee Celebration of the Department. Initially the course was offered as Self Financing and in 2013, it was elevated to aided stream.

Programme

Department of Physics established in the year 1960. Currently, the department offers 6-semester UG programme, a 4-semester PG programme and Ph.D. The programme details are given below

Programme	Core	Complementary	Number of students
B.Sc.	Physics	Mathematics and Chemistry	48
Programme	Core	Specialisations	Number of students
M.Sc.	Physics	Advanced Electronics, Material Science and Experimental Techniques	12

At present there are 5 research guides in the department. There is a possibility of doing both experimental, computational and theoretical research with sophisticated facilities. Seminars, workshops and other co-curricular activities etc., are the attractions of the department, apart from the well-maintained in-house amenities like the department library, computer based physics laboratory and general physics laboratories.

Ph.D. Programme	Research Areas	Max. number of students	Present number of students
Dr.Sudheer Sebastian K.	Simulation studies of Opto Electronic devices – Organic and Perovskite solar cells.	6	6
Fr.Dr.Jolly Andrews	Metamaterials, Theoretical studies on Superconductors.	4	2
Dr.Benoy Anand	Nonlinear optics, Ultrafast dynamics	4	1
Dr.Lakshmi M.	Semiconducting Thin films	4	4
Dr.Sr.Reena Ittyachan	Crystal Growth	4	1

There are 3 value added certificate courses for the skill development of students.
1. Solar Energy : Photo Voltaic Technologies 2. Artificial Intelligence and Machine Learning.
3 Electronic Projects. Any science student, studying for any course can join this course. There exists an alumni association PAACC (Physics Alumni Association Christ College), Irinjalakuda for the ex-students of the Dept., which works in collaboration with Christ College Alumini Trust.

Physics dept. signed 3 MoU with following agencies

1. EKN Centre for Education, Research & Development, Irinjalakuda
2. Solwatt Power Pvt. Ltd., Thrissur
3. Artificial Intelligence Research and Intelligent Systems (airi's 4D), Pathanamthitta

Students can sharpen their skills by Joining 5 clubs

1. Astro Club
2. JAM Coaching Club
3. Electronics Club
4. Readers Club
5. Film Club

14. DEPARTMENT OF POLITICS

Ms. Arda V.S., M.A., M.Phil., (Adhoc)

8943491336

Programme

Politics is offered at the UG level as the Complementary subject of B.A. Economics. For brilliant students aspiring for Civil services, the combination of Economics and Politics gives a fair chance of clearing the preliminary.

15. DEPARTMENT OF SANSKRIT

Dr. Vinitha E, M.A., Ph.D.(HOD)

0480 - 2823810, 2829366

9446029366

Programme

Sanskrit as an embodiment of Indian culture is worth pursuing. Sanskrit is offered as one of the additional languages and open course for 5th sem. at the Degree level. Students with good background in Sanskrit at the Plus two levels may take Sanskrit as an additional language for Degree.

Also, study of Sanskrit is a must for the students opting for the Degree programme in Malayalam Literature.

16. DEPARTMENT OF STATISTICS

Dr. (Sr.) Mariyamma K.D., M.Sc, M.Phil, Ph.D (HoD) 0480-2721149 9496212358
Ms. Gawthami, M.Sc (Adhoc) 8893061573

Programme

At the UG Level, the department offers Complementary course to the students of Mathematics, Geology, Psychology, Computer Science, BCA and an open course on Economics, Statistics for third year degree students. The course deals with basic statistical tools and elementary probability theory and inferential concepts.

17. DEPARTMENT OF ZOOLOGY

Dr. Sudhikumar A. V., M.Sc, Ph.D. (HoD) 0480 - 2822150 8547553174

Dr. Sr. Dilla Jose DST, M.Sc., M.Phil., Ph.D. 8075339102
Dr. Sumesh N., M.Sc., Ph.D. (Adhoc) 9895280788

Programme

The department offers programmes from UG to Ph.D. 36 students are admitted to the UG course which has Chemistry and Botany as its Complementary subjects. Fishery Biology is the special subject for M.Sc. Zoology with an intake of 12 students. There is a wide range of areas of research at Ph.D. level. Information on the areas of research is available in the department.

Master of Science, Botany	M.Sc. Botany On completion of M.Sc. Botany, Students are able to: -	CCAMBT
PSO1	Develop a conceptual understanding of principles and importance of Botany.	
PSO2	Learn about practical technique in lab for detail study of plant cell structure, reproduction, anatomy, breeding procedures for hybridization, maintain a high level of scientific excellence in botanical research with specific emphasizes on the role of plants.	
PSO3	Create, select and apply appropriate techniques, resources and modern technology in multidisciplinary way. Practice of subject with knowledge to design experiments, analyse and interpret the data to reach to an effective conclusion.	
PSO4	Develop technical skills and environmental awareness	
PSO5	Develop awareness regarding the concept of ecology and environment and also understand the anthropogenic activities leading to environmental damage, resource depletion and climate change, and in horticulture, it helps to learn to develop and awareness regarding how to produce high value crops by using new techniques would make them obtain skills that help in doing research.	
PSO6	Identify, formulate and analyse the complex problems with reaching a substantiated conclusion. Logical thinking with applications of biological physical and chemical sciences. Learning that develops analytical and integrative problem-solving approaches.	

PS07	Perform functions that demand higher competence in National/International organisations with sporty and helping spirits. All the courses in the program are carefully design to equip the students for competitive exams like CSIR NET, SET etc. and to write research proposals for grants.	
PS08	Carry out innovative research projects done by making them to use knowledge creation in depth.	
PS09	Will be aware of ethical issues and regulatory consideration while addressing society needs for growth with honesty.

Programme

As Statistics has become an integral part of almost every area of research, the Department is offering PG programme in the Self-Financing stream from 2014 onwards. The programme has excellent job opportunities in sectors such as management science, biostatistics, data mining, data analysis and consultancy services. The programme is expected to equip the students with advanced computational techniques and quantitative analysis applicable in all research areas. The elective papers offered by the department also make the students employable in the technology based job market. Since it is a key topic for sampling and data analysis, a core programme on computational techniques is offered to the students of M.A. Economics.

At the UG Level, the department also offers Complimentary course to the students of Mathematics, Geology, Psychology, Computer Science and BCA. The course deals with basic statistical tools and elementary probability theory and inferential concepts.

VII. GENERAL REGULATIONS

The regulations set forth in this Hand book are aimed to secure the good order necessary for the effective pursuit of knowledge, to help the students attain the level of quality work required from them and to ensure proper functioning of the entire system. The Student's registration in the college is considered an expression of willingness to abide by all the rules and regulations prevailing in the college. Every student, therefore, is committed to the observance of these rules. A student is in the college primarily to achieve academic excellence and develop his total self for the service of his fellowmen. The standard set before each student presupposes maturity, responsibility and judicious use of all the opportunities made available by the college.

1. CODE OF DISCIPLINE

- 1) The students should maintain strict discipline in the campus which is fitting for an academic environment.
- 2) Important notices will be posted on the respective notice boards. It is the responsibility of the students to read these notices and to respond immediately if summoned through them. All administrative, departmental and activity bulletin boards are for official use only. To tamper with them is a serious offence.
- 3) Students should pay the fees as per the schedule published on the notice board.
- 4) Students are summoned during the class time ordinarily by means of a call slip signed by the Principal. Unless otherwise indicated in the call slip, it is understood that the student is wanted only at the end of the period.
- 5) It is the responsibility of the students to treat college property with care. They should help keep the buildings and the campus neat and clean. Any damage done by a student to the property of the college or of others must be compensated either by repair or by replacement. Besides, if the situation warrants, the offenders will be subjected to other disciplinary measures.
- 6) If a teacher is not in class at the prescribed time, the students should wait quietly inside the class room for 10 minutes. After this lapse of time, the students may consider themselves dismissed from this particular class and the monitor shall report the teacher's

11. If the due date for return of book falls on a week end or short holidays, the book must be returned on the next working day.
12. If a book is not returned on the due date, the student will be charged Rs.1 per day (holiday inclusive) per book as fine.
13. Online Public Access catalogue is available for searching the library holdings.
14. Each issued of a book is to be registered by the student in the respective registers available at circulation counter.
15. It is the duty of the borrowers to take maximum care of the library books issued to them . Please help us to keep the book fresh and clean. Dog-eared the pages of a book, marking or writing therein with ink or pencil, tearing out of its pages, and spoiling of binding will cause injury to a book. Any such injury to a book is a serious offence. Unless the borrower points out the injury at the time of borrowing the book, he/she shall be required to replace the book or pay the price of the latest edition of the book, including postage. It is left to the discretion of the authorities to press for a heavier penalty.
16. For loss of book the following procedure will be followed :-
 - i) If new edition or copies of the lost books are available with the book suppliers, the book has to be replaced by a new one.
 - ii) If the lost book is not available for replacement the value of the lost book will be realised at the following rates :-
 - a) 10 times the face value of the books which are published prior to 1-1-1946
 - b) 6 times the face value of the books which are published between 1-1-1946 to 1-1-1970
 - c) Thrice the facevalue of the book which are published after 1-1-1970
 - d) If the book value cannot be ascertained from the library stock register compensation will be fixed on the basis of the market price of similar publication at the time of fixation.
17. Periodicals, Journals, Reference Books, rare and out-of-print books will not be issued to be taken outside the Library.
18. Final year students are required to return their library books to the library before proceeding to collect the 'Hall Ticket'. They should obtain a 'No due Certificate' from the library.
19. A member of the teaching staff is allowed to borrow 10 books at a time including both the general and subject books. Teachers are allowed to borrow text books prescribed for their subjects only. In any case the total number of books borrowed shall not exceed 10 at a time.
20. A member of the Non-teaching staff may borrow two books at a time from the library.
21. The members of the staff will sign the issue-register while borrowing the books. While returning the book, they will make sure that the library assistant has put his signature, in the issue register.

22. All books borrowed from the Library by members of the Teaching and Non-teaching staff must be returned within 14 days.
23. The books of Christ College Library are primarily meant for the staff and students of Christ College. To borrow books for the benefit of those not belonging to our college community is, therefore, evidently unfair. It is the duty of the librarian to inform the Principal about the suspected violation of this guideline.
24. Two internet browsing centres are functioning as part of our Digital Library. Internet facility is provided only for educational purpose and not for social networking.

The research scholars may apply for any of the following research scholarships : Junior Research Fellowship of U.G.C. and C.S.I.R. or C.C.R.F. (Christ College Research Fellowship)

3. HOSTELS AND LODGES

Hostel is a place where students from different parts of the country, belonging to different communities live together in harmony as a family, with a common goal to pursue education. Living-together, under one roof, makes it possible to have intimate contact and association with people whose behaviour, temperament, cultural background etc...are different from one's own. This will exert a profound influence on their life either for good or for bad. The life and training in the hostel will widen their social experience and help them to become useful members of the society of which hostel is a replica. So many authorities on University Education consider hostel life an integral part of higher education. Life in a society entails certain social obligations. For, a social being cannot be unmindful of his neighbour and his requirements. He has to adapt and voluntarily subject himself to discipline so that he may not be a burden to others. "A gentleman is one who never inflicts pain upon another". Hostel rules may, therefore, be looked upon as a means to ensure harmony and co-ordination, necessary for a healthy corporate life. They are also meant to help young men to pick up good habits in the formative period of their life.

Let every member, therefore, try to derive maximum benefit from the special opportunities available in the hostel. Above all, let him always hold fast to the principle that "the fear of God is the beginning of wisdom" and "the basis of successful social living."

Hostel accommodations are available for Boys and Girls. Establishment charges(rent, light, water etc...) may vary from Rs. 1250/- to Rs.1500/- per month. Mess is run on the dividing system and the monthly mess bill may vary from Rs. 5000/- to Rs. 6000/- . A sum of Rs. 6000/- has to be deposited as mess advance at the time of admission.

Students who do not live with their parents or guardians have to reside in the College Hostel or in Lodge, approved by the Principal. No student shall fix up any lodge without the previous permission of the Principal. Subsequent change in residence may be made only with the permission of the Principal. No Lodge will be approved unless the following minimum conditions are fulfilled.

The Wardens shall submit periodical reports to the Principal. If a student is expelled from the hostel or the lodge owing to any serious misconduct he is liable to be expelled from the College also.

3. GENERAL RULES OF THE ASSOCIATIONS

1. The College Election and the working of the Association have to be viewed as a preparation for our democratic way of life. Democracy presupposes free elections, respect for the opposition, and Government through representatives. Our students should see that democratic values are carefully upheld during the elections.
2. Without discipline the working of a society is impossible, nor there any progress. The indiscipline of a small minority disrupts the life of an entire community. To avoid this, a self-imposed 'code of discipline' becomes necessary for the smooth functioning of the student community.

3. The unrestricted use of microphones near the college premises undermines the academic atmosphere of the college and so its use has to be properly regulated.
4. A convention of the representatives of the contesting parties shall be held before the nomination papers are accepted and a common policy shall be laid down regarding the conduct of the elections. No outsider shall be brought to address the students in the college campus. The detailed rules regarding the election of the office-bearers will be announced at the time of election.
5. No meetings shall be arranged without the previous sanction of the Principal.
6. No outsider shall be invited to any function without the previous sanction of the Principal.
7. The funds of Association, being public money shall be spent by the students carefully and economically. For journeys undertaken on behalf of the Association **only bus fare** shall be claimed.
8. As in all Government/university payments, no advance amount shall be paid towards the expenses. The bill in the prescribed form shall be submitted to the Bursar for reimbursement. A daily allowance of Rs.25/- will be paid for a full day spent on college duties.
9. The bills in connection with the Association will be paid by the Bursar, only if they are legitimate and certified by the proper authority.
10. For any project of public interest, or of common student welfare, the executive council may recommend for contribution from students.
11. In all matters concerning the Associations the decision of Principal shall be final.
12. Membership to branch association is voluntary, and only those students who have real interest in their activities need enroll themselves as members.
13. Only active members of the Association will be given certificates at the end of the course.
14. The Secretaries of branch Association are elected by the general body of students.
15. For each branch association where there is no broad-based working committee, the vice-president may nominate a joint secretary who will also be the treasurer. The vice-president, secretary and joint secretary will constitute the working committee.

4. SUBJECT ASSOCIATIONS

In subjects where instruction is offered at the Degree level, the Heads of Departments may, if found useful, organize subject associations for the Degree and Post-graduate students, with special rules for their functioning. Each subject association shall have an executive committee, consisting of a staff member as president, a secretary and treasurer and if necessary, a few additional members. Each subject association can collect a membership fee not exceeding Rs. 5/- per head. The funds of the subject association will be operated separately from those of the union funds. For the present, Mathematics, Physics, Chemistry, Zoology, Physical Education, Economics and Commerce are the subject associations.

- b) The Association is meant to foster Catholic life in all aspects - spiritual, intellectual, social and cultural. In the present system of education where attention is riveted on secular studies at the risk of spiritual formation, C.S.A. should serve as an effective remedy for environmental evils. In addition, an educated catholic needs training for leadership to become a useful member of the Church and the Society.
- c) It is desirable to extend the activities of the Catholic Students association to Parishes in order to make its functioning more effective and fruitful.
- d) The annual membership fee is Rs. 20/- . The expenses of the annual Feast, or social if any, shall be shared equally among the members.
- e) The Principal, 'ex-officio' shall be its president. There shall be a chaplain, appointed by the Rector, from among the Priests working in the college.
- f) The affairs of the association shall be managed by an executive committee consisting of the President, the chaplain, the staff patrons, the chairman, the secretary, the treasurer and the class representatives.
- g) The C.S.A. chairman, secretary and treasurer shall be elected by the C.S.A. class representatives towards the end of the previous academic year. The Class Representatives are elected by the Catholic students of each class, at the rate of one for one every Class of Division.
- h) The main office bearers of the association shall be chosen from among the active members who have successfully attended one or more leadership camps.
- i) The activities of the association shall be divided into four branches with a teacher and student secretary in-charge of each. Branch secretaries will be elected by the student members of the Executive committee from among themselves.
- j) There will be provision for one or two nominations by the President to the Executive. So also the chaplain may invite one representative from each regional group, when major issues are taken up for discussion.

6. AICUF WING

- a) This functions as the local unit of the All India Catholic University Students Federations (A.I.C.U.F.) which is an organisation meant to tender service to the student community in Universities.  - xii) Kabbadi Club
 - xiii) Handball Club
 - xiv) Judo Club
 - xv) Health Club
 - xvi) Armed Force Physical Training Club
- b) All the students of the college have to become members of any one of the clubs.
 - c) The Principal 'ex-officio' shall be its President and Physical Director shall be the Vice-President.
 - d) Ordinarily each club shall have captain elected by the members and vice-captain appointed by the Vice - President. Members of the tennis club may follow its special rules for the election of office bearers and pay the prescribed membership fees. Members of the Cricket Club will pay a Membership fee of Rs. 5/-p.a.
 - e) The General Captain shall be elected by the whole body of students along with the union elections.
 - f) For the conduct of intramural sports and games, students will be divided into four Houses, with a member of the teaching staff appointed by the Principal, as the patron of each house.
 - g) The affairs of the athletic association shall be managed by a Working Committee consisting of the President, the vice-president, the House Patrons, the Bursar, the General Captain, and the Club Captains and the Class Representatives. All the students of the College have to become members of any one of the clubs. There shall be a meeting of the Working Committee at the beginning of the academic year when the general policies and budget provisions shall be discussed.
 - h) For extra-ordinary expenses the previous sanction of the Bursar, and if the amount exceeds Rs. 100/- the sanction of the Principal shall be obtained. As in the case of other Departments, major orders for sports goods are to be made through the college office. If there is budget provision, practice and other friendly matches can be arranged in the college grounds but, care should be taken to see that their expenses are limited to refreshment charges of the visiting teams. As a rule no expenses for the player will be met, for matches or coaching camps, held in our college grounds.
 - i) The expenses of Inter College events for which grants are given from the University, shall be confined to the actual amount of grant received.

XXIV COLLEGE ANTHEM

കാരുണ്യക്കൈവിളക്കായുള്ള ജ്യോതിസ്സേ
നേരായ മാർഗ്ഗം നീ കാട്ടേണമേ
ഇത്തിരി മുമ്പോട്ടു പോകുവാനായെന്റെ
ഉൾത്തിരിയൊന്നു കൊള്ളത്തേണമേ

സത്തായും ചിത്തായും സർവ്വസ്വാത്മാവായും
സത്യത്തിൻ തത്വമേ നീ ലസിപ്പൂ
കാണായവയ്ക്കെല്ലാം കണ്ണിൽ പൊരുളായി
കാണപ്പെടാതെയിരിക്കുവോനേ

ഞാനൊരു മൺതരി മാത്രമാണെങ്കിലും
നൂനമവിടുത്തെ സൃഷ്ടിയല്ലോ
കൈവിടാതെന്നെ നീ കാരുണ്യകാതലേ
കൈവല്യദാതാവേ കൈ തൊഴുന്നേൻ
കൈ തൊഴുന്നേൻ കൈ തൊഴുന്നേൻ

RAGGING IS STRICTLY PROHIBITED IN THE COLLEGE CAMPUS

Ragging means doing of any act, by disorderly conduct, to a student of an educational institution which causes or likely to cause physical or physiological harm or raising apprehension or fear or shame or embarrassment to that student and includes:

1. Teasing, abusing or playing practical jokes on, or hurting, student; or
2. Asking a student to do any act or perform something which such student will not, in the ordinary course, willingly do.

If any incident of ragging comes to the notice of the authority, strict actions will be taken against that student immediately.

As a measure for preventing the menace of ragging in the college campus, and as per the directions of the Honourable Supreme Court, UGC., University and Government, an Anti Ragging Squad has been constituted consisting of the following members.

Sl. No.	Name	Helpline Phone No.
1	Police Station	0480-2825228
2	Circle Inspector of Police	0480-2826600 9497987139 9447380698
3	Sub-Inspector of Police	9497980533
4	Rev. Dr. Jolly Andrews CMI (Principal) incharge	9495062923
5	Dr. N. Anilkumar, (Staff Advisor)	9447384250
6	Dr. Shinto K.G., Discipline Com. Convenor	9744873979
7	Prof. Pallikkattil Mary Pathros (Anti Ragging Convenor for girls)	9495945424
8	Dr. Aravinda B.P. (Anti Ragging Convenor for boys)	9446572732
9	Dr. K.Y. Shaju (Vice-Principal)	9446721949
10	Rev. Fr. Joy P.T. CMI (Vice-Principal)	9446420005
11	Mr. Babu Jose Therattil (PTA, Vice President)	9447617649

If any student is subjected to any kind of incidents of Ragging, they can call the above persons on phone for immediate help.
