

CMI EDUCATION POLICY STATEMENT

We, the Carmelites of Mary Immaculate, after the example of our founder St. Kuriakose Elias Chavara, consider education integral to the formation of the human person and for the fulfilment of his/her individual and social responsibilities.

Our educational endeavours aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable, who will champion the cause of justice, love, truth and peace and who are ever open to further growth.

The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and humane in dealings, and who grow in the true vision of education.

We aspire towards creating a just and humane society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national integration is upheld, and where the poor and the marginalized are specially taken care of.

We have to reach out to the families, primarily of the students, to assist them in their needs, to share their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension of their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and His Gospel. Being institutions established by and for a minority community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian youth.

Our institutions have to be open to society at large by making their resources available for the ongoing education and non-formal teaching.

For the realizations of this CMI goal of education, we expect students, parents and teachers to share this vision and to cooperate with us whole heartedly.

I PREFACE

1. INTRODUCTION

Christ College was started in 1956, by the Devamatha Province of the Carmelites of Mary Immaculate (CMI), an indigenous religious congregation founded in 1831 by St. Kuriakose Elias Chavara, a saintly priest and versatile genius, who envisioned education as a tool for liberation and development.

Founded as per provisions of the Indian Constitution, Part III, Article 30 (1) and administered by Christ College Educational Society, (Regd. No. 137 / 75), this college is a Minority Institution, affiliated to Calicut University and Reaccredited by NAAC with the highest grade 'A'. Christ College is dedicated to Christ, and has as its motto "Jeevitha Prabha", which means the "Light of Life".

Christ College is part of a century - old tradition of CMI education that is at its heart, Christian and specifically Catholic. It offers an ideal vision of education that is aware of and responsive to the challenges of the nation's present situation.

2. OUR VISION

To mould an enlightened generation by developing the potential of individuals through quality higher education and moral value inculcation.

3. OUR MISSION

To impart quality education, imbued with Indian ethos and enriched with universal values.

To mould our youth as intellectually competent, psychologically integrated and morally upright social beings.

To train them as responsible citizens of our nation who champion the cause of justice, love, truth and peace.

To emancipate them from the clutches of 'adharma' and 'ahamkara' to true freedom and fraternity.

The management believes that the secret of success of our College is a community of teachers who are committed to their vocation by being professionally competent, spiritually mature, humane in dealings, and ever open to new horizons of knowledge.

3. HOSTELS AND LODGES

Hostel is a place where students from different parts of the country, belonging to different communities live together in harmony as a family, with a common goal to pursue education. Living-together, under one roof, makes it possible to have intimate contact and association with people whose behaviour, temperament, cultural background etc...are different from one's own. This will exert a profound influence on their life either for good or for bad. The life and training in the hostel will widen their social experience and help them to become useful members of the society of which hostel is a replica. So many authorities on University Education consider hostel life an integral part of higher education. Life in a society entails certain social obligations. For, a social being cannot be unmindful of his neighbour and his requirements. He has to adapt and voluntarily subject himself to discipline so that he may not be a burden to others. "A gentleman is one who never inflicts pain upon another". Hostel rules may, therefore, be looked upon as a means to ensure harmony and co-ordination, necessary for a healthy corporate life. They are also meant to help young men to pick up good habits in the formative period of their life. Let every member, therefore, try to derive maximum benefit from the special opportunities available in the hostel. Above all, let him always hold fast to the principle that "the fear of God is the beginning of wisdom" and "the basis of successful social living."

Hostel accommodations are available for Boys and Girls. Establishment charges (rent, light, water etc...) may vary from Rs. 1250/- to Rs.1500/- per month. Mess is run on the dividing system and the monthly mess bill may vary from Rs. 5000/- to Rs. 6000/- . A sum of Rs. 6000/- has to be deposited as mess advance at the time of admission.

Students who do not live with their parents or guardians have to reside in the College Hostel or in Lodge, approved by the Principal. No student shall fix up any lodge without the previous permission of the Principal. Subsequent change in residence may be made only with the permission of the Principal. No Lodge will be approved unless the following minimum conditions are fulfilled.

The Wardens shall submit periodical reports to the Principal. If a student is expelled from the hostel or the lodge owing to any serious misconduct he is liable to be expelled from the College also.

In all matters concerning the internal administrations of the hostels, the verdict of the wardens shall be final.

XXIV COLLEGE ANTHEM

കാരുണ്യക്കൈവിളക്കായുള്ള ജ്യോതിസ്സേ
നേരായ മാർഗ്ഗം നീ കാട്ടേണമേ
ഇത്തിരി മുമ്പോട്ടു പോകുവാനായെന്റെ
ഉൾത്തിരിയൊന്നു കൊള്ളത്തേണമേ

സത്തായും ചിത്തായും സർവ്വസ്വാത്മാവായും
സത്യത്തിൻ തത്വമേ നീ ലസിപ്പൂ
കാണായവയ്ക്കെല്ലാം കണ്ണിൽ പൊരുളായി
കാണപ്പെടാതെയിരിക്കുവോനേ

ഞാനൊരു മൺതരി മാത്രമാണെങ്കിലും
നൂനമവിടുത്തെ സൃഷ്ടിയല്ലോ
കൈവിടാതെന്നെ നീ കാരുണ്യകാതലേ
കൈവല്യദാതാവേ കൈ തൊഴുന്നേൻ
കൈ തൊഴുന്നേൻ കൈ തൊഴുന്നേൻ
