Recycling Drive

To promote a clean and eco-friendly environment, CSA initiated Recycling Drive with an aim to recycle the newspapers and make paper bags out of it. The second phase of Recycle Drive started on 11th June,2022. The third phase was conducted on October,2022.All volunteers joined hands to make paper bags. Around 800 paper bags were made in the second and third phase. The paper bags made were freely distributed to the shops of the locality.
