

## Events Organized by the Department 2024-2025

### 1. World Environment Day Celebrations

The Post Graduate and Research Department of Mathematics observed **World Environment Day** on June 5, 2024, with enthusiastic participation from students and faculty. The event aimed to promote awareness and action for the protection of our environment, aligning with the global theme, "*Plant a Tree, Plant Hope.*"

**WORLD  
ENVIRONMENT DAY  
CELEBRATION**

Dear All

You are cordially invited to join us in celebrating  
World Environment Day Organized by the Department of Mathematics

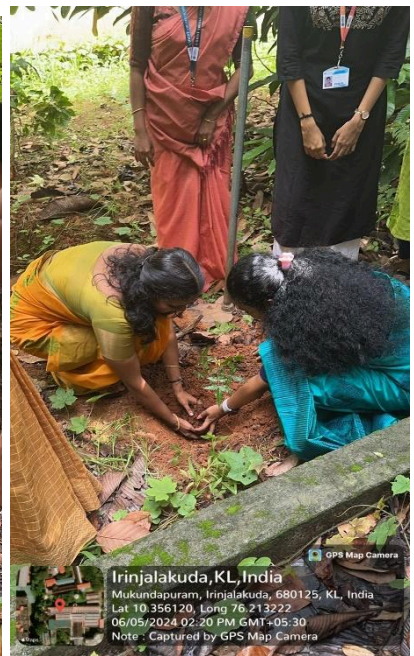

Date: Wednesday , June 5, 2024  
Time: 3:00 PM  
Venue: M.G Block  
Theme: "Plant a Tree, Plant Hope"

Let's come together to make our world greener! Each participant will have the opportunity to plant a sapling and contribute to a healthier planet.

Dr. Seena V  
HoD, Post graduate and Research  
Department of Mathematics

Dr. Joju K T  
Coordinator, Mathematics  
Unaided

## 2. UG Initiation

The Postgraduate and Research Department of Mathematics, Christ College (Autonomous), Irinjalakuda, organized an *Alumni Interaction* on 19th June 2024 at 11:00 AM in Room AB 22. The event aimed to motivate and guide current students by providing them with insights and experiences from recent graduates who have successfully navigated various career and academic paths.

### 3. PG Initiation

The Postgraduate and Research Department of Mathematics at Christ College (Autonomous), Irinjalakuda, organized an enriching **Alumni Interaction Programme** on the 25th of June, 2024. The event was designed to provide current students with motivational insights from recent alumni, who have made commendable strides in academics and career progression.

#### 4. Talk on Real Analysis

On 25<sup>th</sup> of June 2024 Postgraduate and Research Department of Mathematics organized an invited talk on Real Analysis. The resource person was sir Albert Antony, associate professor, department of mathematics of PMG College Chalakudy. The talk begin by 1 pm. The students of 3<sup>rd</sup> year UG and 2<sup>nd</sup> year PG was present during the session. It was an informative and interactive session on introduction to real analysis.

## 5. Pi Approximation Day

The Post Graduate and Research Department of Mathematics observed **Pi Approximation Day** on July 22, 2024, with active participation from students and faculty. Dr. Tintumol Sunny was the coordinator of this programme. The event celebrated the significance of pi through fun math activities like math teacher competition, Rubik's cube solving and writing the digits of pi; encouraging interest in mathematical thinking and creativity.

---------------------------------	--------------------------------	-------------------------------------	---------------------------	--

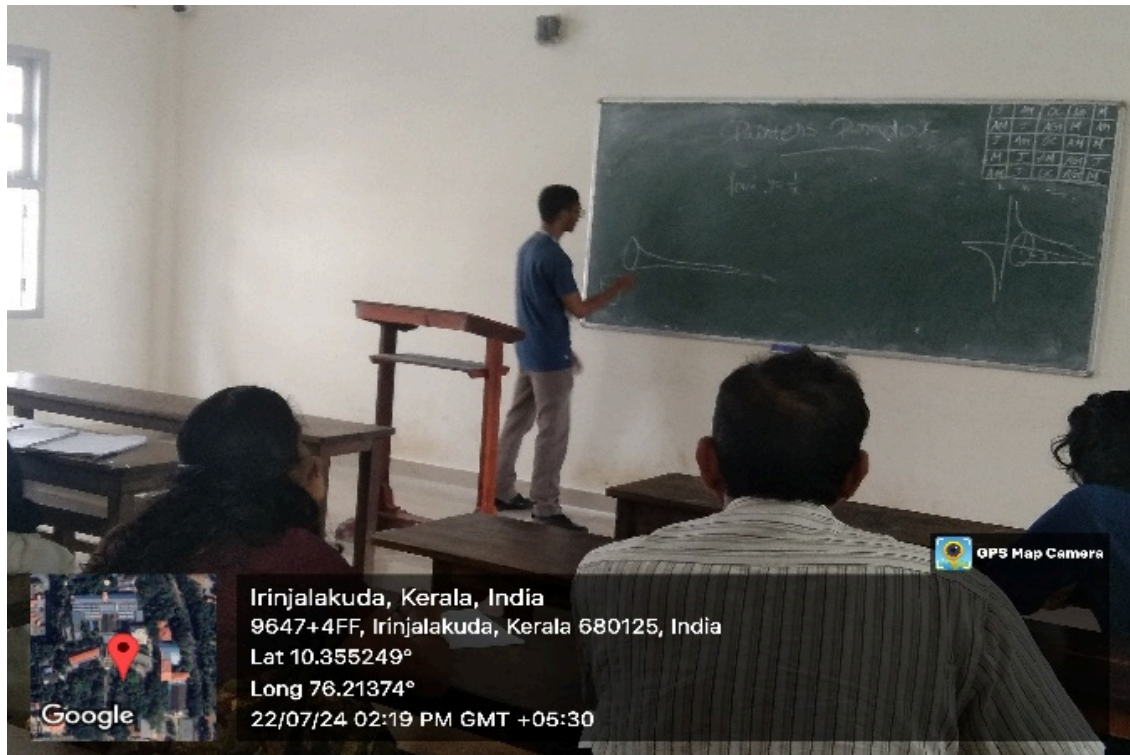

### GUIDELINES

- MATH TEACHER COMPETITION**
  - Individual participation.
  - Participants can choose any topic related to mathematics.
  - Presentation should not exceed 8 minutes.
  - Judgement will be based on the topic and presentation.
  - No need of digital presentations.
  - Decision of the jury will be final.
- RUBIK'S CUBE SOLVING**
  - Individual participation.
  - Cubes will be provided.
  - Judgement will be based on the minimal time taken to solve the cube.
  - Decision of the jury will be final.
- DIGITS OF PI**
  - The participant who can write the value of pi accurately to the maximum number of decimal places within the allotted time will be declared as winner.
  - Decision of the jury will be final.

#### **4. International Conference on Graph Theory and its Applications (ICGTA-2024)**

The International Conference on Graph Theory and Its Applications (ICGTA-2024), organized by the Postgraduate and Research Department of Mathematics, Christ College (Autonomous), Irinjalakuda in collaboration with Kerala State Higher Education Council and Kerala Mathematical Association, was held from 3rd to 5th October 2024 and brought together eminent mathematicians, researchers, and academicians from around the world. Dr. Seena V, Head of the Department was the organizing secretary of this conference. The conference was inaugurated by A. Krishnamoorthy, with welcome and presidential addresses delivered by Seena V and Jolly Andrews respectively. The three-day event featured keynote lectures and paper presentations covering diverse areas of graph theory and its applications. Topics discussed included spectral graph theory, generating graphs of finite groups, chromatic polynomials, parity edge-colouring, fuzzy graphs, algebraic graph structures, and spectral characterization of graphs. Distinguished speakers such as Douglas B. West, Eunice Mphako-Banda, Ayman Badawi, and Madhumangal Pal enriched the conference through both online and offline sessions. Open problem discussions and multiple rounds of paper presentations provided opportunities for collaboration and academic interaction among participants. The conference successfully highlighted recent developments in graph theory and encouraged interdisciplinary research and future collaborations. Overall, ICGTA-2024 emerged as a vibrant international academic platform promoting innovation, scholarly exchange, and research excellence in graph theory and its applications.

## Call for Papers

Research Papers are invited for presentation in the conference. Abstracts and full papers may be sent to: [icgta2024@christcollegeijk.edu.in](mailto:icgta2024@christcollegeijk.edu.in)

- Accepted full papers will be published in ISBN indexed book /reputed journal.

### Important Dates

Registration Deadline : September 20, 2024

Abstract Submission : August 15, 2024

Full Paper Submission : August 30, 2024

### Registration Fee

Students : Rs.500/-

Research Scholars : Rs.1000/-

Faculty : Rs.2000/-

Accommodation will be provided on a first-come, first served basis, exclusively for those who applied in advance.

## **5. Workshop on Typesetting for LaTeX**

The Postgraduate and Research Department of Mathematics, Christ College (Autonomous), Irinjalakuda organized a workshop on “Typesetting for LaTeX” for the UG final year students on 11 November 2024 at the Computer Lab, St. Mary’s Block. The programme was conducted by Dr. Seena V, Head of the Department, Department of Mathematics, Christ College with the aim of familiarizing students with the fundamentals of LaTeX typesetting and its significance in preparing mathematical documents, assignments, seminar reports, and project dissertations.

The workshop focused on providing hands-on training in the preparation and formatting of mathematical equations, symbols, tables, and structured academic documents using LaTeX software. During the session, the resource person explained various LaTeX commands, document classes, formatting techniques, and methods for efficiently inserting mathematical expressions. The practical training sessions enabled students to work directly on computers and gain experience in professional document preparation.

The participants actively engaged in the interactive sessions and clarified their doubts regarding LaTeX usage and formatting. The workshop significantly enhanced the technical skills of students in mathematical typesetting and provided valuable guidance for preparing academic projects and presentations in a professional manner.

## 6. Association Day

The Post Graduate and Research Department of Mathematics celebrated **Association Day** on Dec 11, 2024, with vibrant involvement from students and faculty. The event started with an insightful talk by Cap. Dr. Jaison Jacob, Assistant Professor, St. Aloysius College, Thrissur on the topic, '*Breaking barriers in Mathematics: Developing a winning mindset*'. The event went high with cultural programs coordinated by all the undergraduate and postgraduate classes.

## 7. Time Orientation

On December 13 2024, the Post Graduate and Research Department of Mathematics held a career orientation program organized by TIME institute led by Athul Sir. The program aimed to equip the students with valuable information to help them make informed decisions about their future careers after completing their graduate studies. Students actively participated in the session, engaging with the speakers and seeking clarifications.

## 8. National Mathematics Day

The Post Graduate and Research Department of Mathematics and The Department of Mathematics ( Unaided ) of Christ College (Autonomous), Irinjalakuda, successfully celebrated National Mathematics Day with its event “SANKHYA 2024” on December 19, 2024. The organizing team, including staff and students ensured the smooth conduct of the program. “SANKHYA 2024” featured engaging competitions such as a crossword puzzle, spot photography with a mathematical theme, and a sudoku challenge, attracting active participation from the student community. The celebration provided a platform for students to showcase their mathematical aptitude and creativity in a stimulating and enjoyable environment.
