ST.CHAVARA KURIAKOSE ELIAS

**Founder of CMI Congregation and a Visionary in the
Field of Education**

The Carmelites of Mary Immaculate (CMI) congregation had its origin in Mannanam in 1831 from the zealous spirit of Saint Chavara Kuriakose Elias (1805-1871) and his companions. The mission of this first indigenous congregation has been the integral development of man, irrespective of his caste or creed.

St. Kuriakose Elias Chavara was a pioneer in the field of education. At Mannanam, he started the first Catholic Sanskrit School and the first Primary School in 1846 and 1864 respectively. Later, when he was appointed as the Vicar General of the Syrian Catholics coming under Verapoly Diocese, he sent out orders to all churches coming under his jurisdiction to start schools in the campuses itself. Thanks to his seminal ideas regarding the importance of general education, Kerala State has now attained an enviable percentage of literacy.

Drawing inspiration from this seer, the CMI congregation has established a number of Educational Institutions all over India. Today in Kerala alone, the Congregation has under its management 15 Arts and Science Colleges, 4 Training Colleges, 1 MCA College, 1 Medical College, 1 Engineering College, 5 Parallel Colleges, 1 Polytechnic College, 7 ITCs, 22 Aided Schools and a number of English Medium State and Central Syllabi Schools. Over the past hundred years, the Congregation was able to impart quality education and value based life guidance to the students of these institutions.

CMI Education Policy Statement

We, the Carmelites of Mary Immaculate, after the example of our founder St. Kuriakose Elias Chavara, consider education integral to the formation of the human person and for the fulfilment of his/her individual and social responsibilities.

Our educational endeavours aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable, who will champion the cause of justice, love, truth and peace and who are ever open to further growth.

The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and humane in dealings, and who grow in the true vision of education.

We aspire towards creating a just and humane society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national integration is upheld, and where the poor and the marginalized are specially taken care of.

We have to reach out to the families, primarily of the students, to assist them in their needs, to share their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension of their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and His Gospel. Being institutions established by and for a minority community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian youth.

Our institutions have to be open to society at large by making their resources available for the ongoing education and non-formal teaching.

For the realizations of this CMI goal of education, we expect students, parents and teachers to share this vision and to cooperate with us whole heartedly.

I PREFACE

1. INTRODUCTION

Christ College was started in 1956, by the Devamatha Province of the Carmelites of Mary Immaculate (CMI), an indigenous religious congregation founded in 1831 by St. Kuriakose Elias Chavara, a saintly priest and versatile genius, who envisioned education as a tool for liberation and development.

Founded as per provisions of the Indian Constitution, Part III, Article 30 (1) and administered by Christ College Educational Society, (Regd. No. 137 / 75), this college is a Minority Institution, affiliated to Calicut University and Reaccredited by NAAC with the highest grade 'A++' & SAAC with A+ Grade. The college also earned 87th Rank in the NIRF Ranking 2025. Christ College is dedicated to Christ, and has as its motto "Jeevitha Prabha", which means the "Light of Life".

Christ College is part of a century - old tradition of CMI education that is at its heart, Christian and specifically Catholic. It offers an ideal vision of education that is aware of and responsive to the challenges of the nation's present situation.

2. OUR VISION

To mould an enlightened generation by developing the potential of individuals through quality higher education and moral value inculcation.

3. OUR MISSION

To impart quality education, imbued with Indian ethos and enriched with universal values.

To mould our youth as intellectually competent, psychologically integrated and morally upright social beings.

To train them as responsible citizens of our nation who champion the cause of justice, love, truth and peace.

To emancipate them from the clutches of '*adhama*' and '*ahamkara*' to true freedom and fraternity.

The management believes that the secret of success of our College is a community of teachers who are committed to their vocation by being professionally competent, spiritually mature, humane in dealings, and ever open to new horizons of knowledge.

3. HOSTELS AND LODGES

Hostel is a place where students from different parts of the country, belonging to different communities live together in harmony as a family, with a common goal to pursue education. Living-together, under one roof, makes it possible to have intimate contact and association with people whose behaviour, temperament, cultural background etc...are different from one's own. This will exert a profound influence on their life either for good or for bad. The life and training in the hostel will widen their social experience and help them to become useful members of the society of which hostel is a replica. So many authorities on University Education consider hostel life an integral part of higher education. Life in a society entails certain social obligations. For, a social being cannot be unmindful of his neighbour and his requirements. He has to adapt and voluntarily subject himself to discipline so that he may not be a burden to others. "A gentleman is one who never inflicts pain upon another". Hostel rules may, therefore, be looked upon as a means to ensure harmony and co-ordination, necessary for a healthy corporate life. They are also meant to help young men to pick up good habits in the formative period of their life. Let every member, therefore, try to derive maximum benefit from the special opportunities available in the hostel. Above all, let him always hold fast to the principle that "the fear of God is the beginning of wisdom" and "the basis of successful social living."

College Anthem

ഈ രൂപംകൈവിളക്കായുള്ള ജ്യോതിസ്സേ
നേരായ മാർഗ്ഗം നീ കാട്ടേണമേ
ഇത്തിരി മുന്പോട്ടു പോകുവാനായെന്റെ
ഉൾത്തിരിയൊന്നു കൊളുത്തേണമേ

സത്തായും ചിത്തായും സർവ്വസാത്മാവായും
സത്യത്തിൻ തത്വമേ നീ ലസിപ്പൂ
കാണായവയ്ക്കെല്ലാം കണ്ണിൽ പൊരുളായി
കാണപ്പെടാതെയിരിക്കുവോനേ

ഞാനൊരു മൺതരി മാത്രമാണെങ്കിലും
നൂനമവിടുത്തെ സൃഷ്ടിയല്ലോ
കൈവിടാതെന്നെ നീ കാരൂണ്യക്കാതലേ
കൈവല്യദാതാവേ കൈ തൊഴുന്നേൻ
കൈ തൊഴുന്നേൻ കൈ തൊഴുന്നേൻ
