

## **CMI EDUCATION POLICY STATEMENT**

We, the Carmelites of Mary Immaculate, after the example of our founder St. Kuriakose Elias Chavara, consider education integral to the formation of the human person and for the fulfilment of his/her individual and social responsibilities.

Our educational endeavours aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable, who will champion the cause of justice, love, truth and peace and who are ever open to further growth.

The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and humane in dealings, and who grow in the true vision of education.

We aspire towards creating a just and humane society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national integration is upheld, and where the poor and the marginalized are specially taken care of.

We have to reach out to the families, primarily of the students, to assist them in their needs, to share their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension of their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and His Gospel. Being institutions established by and for a minority community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian youth.

Our institutions have to be open to society at large by making their resources available for the ongoing education and non-formal teaching.

For the realizations of this CMI goal of education, we expect students, parents and teachers to share this vision and to cooperate with us wholeheartedly.

# **I PREFACE**

## **1. INTRODUCTION**

Christ College was started in 1956, by the Devamatha Province of the Carmelites of Mary Immaculate (CMI), an indigenous religious congregation founded in 1831 by St. Kuriakose Elias Chavara, a saintly priest and versatile genius, who envisioned education as a tool for liberation and development.

Founded as per provisions of the Indian Constitution, Part III, Article 30 (1) and administered by Christ College Educational Society, (Regd. No. 137 / 75 ), this college is a Minority Institution, affiliated to Calicut University and Reaccredited by NAAC with the highest grade 'A'. Christ College is dedicated to Christ, and has as its motto "Jeevitha Prabha", which means the "Light of Life".

Christ College is part of a century - old tradition of CMI education that is at its heart, Christian and specifically catholic. It offers an ideal vision of education that is aware of and responsive to the challenges of the nation's present situation.

## **2. OUR VISION**

To moulding an enlightened generation by developing the potential of individuals through quality higher education and moral value inculcation.

## **3. OUR MISSION**

To impart quality education, imbued with Indian ethos and enriched with universal values.

To mould our youth as intellectually competent, psychologically integrated and morally upright social beings.

To train them as responsible citizens of our nation who champion the cause of justice, love, truth and peace.

To emancipate them from the clutches of '*adharma*' and '*ahamkara*' to true freedom and fraternity.

The management believes that the secret of success of our College is a community of teachers who are committed to their vocation by being professionally competent, spiritually mature, humane in dealings, and ever open to new horizons of knowledge.

- i) For any transcript to Foreign universities, Rs.100 each has to be remitted per document.

## **VI. GENERAL REGULATIONS**

The regulations set forth in this Hand book are aimed to secure the good order necessary for the effective pursuit of knowledge, to help the students attain the level of quality work required from them and to ensure proper functioning of the entire system. The Student's registration in the college is considered an expression of willingness to abide by all the rules and regulations prevailing in the college. Every student, therefore, is committed to the observance of these rules. A student is in the college primarily to achieve academic excellence and develop his total self for the service of his fellowmen. The standard set before each student presupposes maturity, responsibility and judicious use of all the opportunities made available by the college.

### **1. CODE OF DISCIPLINE**

- 1) The students should maintain strict discipline in the campus which is fitting for an academic environment.
- 2) Important notices will be posted on the respective notice boards. It is the responsibility of the students to read these notices and to respond immediately if summoned through them.

All administrative, departmental and activity bulletin boards are for official use only. To tamper with them is a serious offence.

- 3) Students should pay the fees as per the schedule published on the notice board.
- 4) Students are summoned during the class time ordinarily by means of a call slip signed by the Principal. Unless otherwise indicated in the call slip, it is understood that the student is wanted only at the end of the period.
- 5) It is the responsibility of the students to treat college property with care. They should help keep the buildings and the campus neat and clean. Any damage done by a student to the property of the college or of others must be compensated either by repair or by replacement. Besides, if the situation warrants, the offenders will be subjected to other disciplinary measures.
- 6) If a teacher is not in class at the prescribed time, the students should wait quietly inside the class room for 10 minutes. After this lapse of time, the students may consider themselves dismissed from this particular class and the monitor shall report the teacher's absence to the Principal. However, if the class is notified of the teacher's time of arrival, the students are obliged to wait until the time designated.
- 7) Free periods are not meant for any games (indoor or outdoor), nor for loitering in the corridors, sitting in the garden or in and around the canteen. Students are advised to make use of the library during free periods. Those who prefer to sit in the class room for doing academic work shall not in any way cause disturbance to the neighboring class. This fund is established with a view to give some financial assistance to a limited number of students for promoting their collegiate education. The fund is raised from contributions from the management, students and the public.

Application will be invited on the college notice board before the end of the first term. In making the award, both merit and poverty will be taken into account.

Assistance under the scheme cannot be enjoyed concurrently with any other form of scholarships. So also, this assistance can be withdrawn if the student's progress and conduct are not satisfactory.

### 3. GENERAL RULES OF THE ASSOCIATIONS

1. The College Election and the working of the Association have to be viewed as a preparation for our democratic way of life. Democracy presupposes free elections, respect for the opposition, and Government through representatives. Our students should see that democratic values are carefully upheld during the elections.
2. Without discipline the working of a society is impossible, nor there any progress. The indiscipline of a small minority disrupts the life of an entire community. To avoid this, a self-imposed 'code of discipline' becomes necessary for the smooth functioning of the student community.
3. The unrestricted use of microphones near the college premises undermines the academic atmosphere of the college and so its use has to be properly regulated.
4. A convention of the representatives of the contesting parties shall be held before the nomination papers are accepted and a common policy shall be laid down regarding the conduct of the elections. No outsider shall be brought to address the students in the college campus. The detailed rules regarding the election of the office-bearers will be announced at the time of election.
5. No meetings shall be arranged without the previous sanction of the Principal.
6. No outsider shall be invited to any function without the previous sanction of the Principal.
7. The funds of Association, being public money shall be spent by the students carefully and economically. For journeys undertaken on behalf of the Association *only bus fare* shall be claimed.

8. As in all Government/university payments, no advance amount shall be paid towards the expenses. The bill in the prescribed form shall be submitted to the Bursar for reimbursement. A daily allowance of Rs.25/- will be paid for a full day spent on college duties.
9. The bills in connection with the Association will be paid by the Bursar, only if they are legitimate and certified by the proper authority.
10. For any project of public interest, or of common student welfare, the executive council may recommend for contribution from students.
11. In all matters concerning the Associations the decision of Principal shall be final.
12. Membership to branch association is voluntary, and only those students who have real interest in their activities need enroll themselves as members.
13. Only active members of the Association will be given certificates at the end of the course.
14. The Secretaries of branch Association are elected by the general body of students.
15. For each branch association where there is no broad-based working committee, the vice-president may nominate a joint secretary who will also be the treasurer. The vice - president, secretary and joint secretary will constitute the working committee.

#### 4. SUBJECT ASSOCIATIONS

In subjects where instruction is offered at the Degree level, the Heads of Departments may, if found useful, organize subject associations for the Degree and Post-graduate students, with special rules for their functioning. Each subject association shall have an executive committee, consisting of a staff member as president, a secretary and treasurer and if necessary, a few additional members. Each subject association can collect a membership fee not exceeding Rs. 5/- per head. The funds of the subject association will be operated separately from those of the union funds. For the present, Mathematics, Physics, Chemistry, Zoology, Physical Education, Economics and Commerce are the subject associations.

#### 5. CATHOLIC STUDENTS ASSOCIATION

- a) Catholic Students Association (C.S.A.) is a general association parallel to the General Literary Association. All the Catholic students, of the College 'ipso facto' are its ordinary members and all the catholic members of the College staff are honorary members
- b) The Association is meant to foster Catholic life in all aspects - spiritual, intellectual, social and cultural. In the present system of education where attention is riveted on secular studies at the risk of spiritual formation, C.S.A. should serve as an effective remedy for environmental evils. In

addition, an educated catholic needs training for leadership to become a useful member of the Church and the Society.

- c) It is desirable to extend the activities of the Catholic Students association to Parishes in order to make its functioning more effective and fruitful.
- d) The annual membership fee is Rs. 20/- . The expenses of the annual Feast, or social if any, shall be shared equally among the members.
- e) The Principal, 'ex-officio' shall be its president. There shall be a chaplain, appointed by the Rector, from among the Priests working in the college.
- f) The affairs of the association shall be managed by an executive committee consisting of the President, the chaplain, the staff patrons, the chairman, the secretary, the treasurer and the class representatives.
- g) The C.S.A. chairman, secretary and treasurer shall be elected by the C.S.A. class representatives towards the end of the previous academic year.

The Class Representatives are elected by the Catholic students of each class, at the rate of one for one every Class of Division.

- h) The main office bearers of the association shall be chosen from among the active members who have successfully attended one or more leadership camps.
- i) The activities of the association shall be divided into four branches with a teacher and student secretary in-charge of each. Branch secretaries will be elected by the student members of the Executive committee from among themselves.
- j) There will be provision for one or two nominations by the President to the Executive. So also the chaplain may invite one representative from each regional group, when major issues are taken up for discussion.

## **6. AICUF WING**

- a) This functions as the local unit of the All India Catholic University Students Federations ( A.I.C.U.F ) which is an organisation meant to tender service to the student community in Universities. Non-Christian students also are welcome to the organisation and to share its benefits by taking part in its cultural and service programmes.
- b) The affairs of the AICUF are managed by a working committee consisting of the chaplain, office bearers of the C.S.A., and the eight elected representatives.

## **7. ATHLETIC ASSOCIATION**

- a) The athletic Association, for the present, consists of:-
  - i) Football Club
  - ii) Hockey Club

  - v) Cricket Club

- vi) Tennis Club
  - vii) Badminton Club
  - viii) Ball Badminton Club
  - ix) Athletic Club
  - x) Weight Lifting Club
  - xi) Wrestling Club
  - xii) Kabbadi Club
  - xiii) Handball Club
  - xiv) Judo Club
- b) All the students of the college have to become members of any one of the clubs.
- c) The Principal 'ex-officio' shall be its President and Physical Director shall be the Vice- President.
- d) Ordinarily each club shall have captain elected by the members and vice-captain appointed by the Vice - President. Members of the tennis club may follow its special rules for the election of office bearers and pay the prescribed membership fees. Members of the Cricket Club will pay a Membership fee of Rs. 5/-p.a.
- e) The General Captain shall be elected by the whole body of students along with the union elections.
- f) For the conduct of intramural sports and games, students will be divided into four Houses, with a member of the teaching staff appointed by the Principal, as the patron of each house.
- g) The affairs of the athletic association shall be managed by a Working Committee consisting of the President, the vice-president, the House Patrons, the Bursar, the General Captain, and the Club Captains and the Class Representatives. All the students of the College have to become members of any one of the clubs. There shall be a meeting of the Working Committee at the beginning of the academic year when the general policies and budget provisions shall be discussed.
- h) For extra-ordinary expenses the previous sanction of the Bursar, and if the amount exceeds Rs. 100/- the sanction of the Principal shall be obtained. As in the case of other Departments, major orders for sports goods are to be made through the college office. If there is budget provision, practice and other friendly matches can be arranged in the college grounds but, care should be taken to see that their expenses are limited to refreshment charges of the visiting teams. As a rule no expenses for the player will be met, for matches or coaching camps, held in our college grounds.
- i) The expenses of Inter College events for which grants are given from the University, shall be confined to the actual amount of grant received.

- j) For taking part in any inter collegiate matches and tournaments for which no grant will be available from University, previous sanction of the Principal and budgetary provisions are necessary.
- k) Captains shall try to infuse enthusiasm and a spirit of sportsmanship among the students within the field and outside.
- l) No student of the college shall register himself in or play for any club or institution without the previous permission of the Principal.

#### **8. OLD STUDENTS ASSOCIATION**

An Old Students' Association has been functioning in this college from 1960. Association is founded with a view to establish contact with the Alumni and building up in them a sense of belonging to the Alma Mater. The affairs of the association are managed by an executive committee consisting of the president, the secretary, the treasurer and fifteen committee members.

Membership fee is Rs. 100/- The general body of the association meets on 2<sup>nd</sup> Saturday, March every year at 3. p.m. in the college auditorium.

#### **9. GUARDIANS ASSOCIATION**

A guardians' and well wishers' association is functioning in this college. Its aim is to foster a feeling of friendship, co-operation, and involvement among the guardians and well wishers in matters pertaining to the efficient functioning of the college. The affairs of the Association are managed by an executive committee consisting of a president, vice-president, a secretary, a treasurer, joint treasurer and four members.

A membership fee of Rs. 100/- will be collected in advance from the parents of the students. The General Body meets once a year, while the executive committee meets at least twice a year.

#### **10. NATIONAL SERVICE SCHEME ( N.S.S.)**

National Service Scheme aims at education through community service. It is intended to arouse the social conscience of the student by preparing them to be useful to society.

The Specific objectives are to provide opportunities.

- a) To work with and among the people
- b) To engage in non violent constructive social action.
- c) To enhance their knowledge of themselves and the community.
- d) To put their scholarship to practical use in mitigating at least some of the social problems.
- e) To practice democratic leadership.

Membership: - Membership in N.S.S. is voluntary and is strictly on selective basis. Each student is subject to its discipline and code of

behaviour. Every NSS member student attending N.S.S. will be required to put the minimum of time equivalent to 120 hours each academic year including the hours of work put in during the camp days. Those who complete 240 hours of work in 2 years are eligible for a certificate issued by the University. Application for enrolment will be called for by the Director of the unit at the beginning of each academic year. Membership in N.S.S. and a certificate to that effect from the University will be treated as additional qualification while making recruitments to public services.

#### **11. NATIONAL CADET CORPS (N.C.C.)**

The National Cadet Corps (N.C.C.) affords opportunities for military training and social service to university students without imposing on them any obligation for active military service. The aims of the N.C.C. are:

- i) To develop character, comradeship, idea of service and capacity for leadership in young men.
- ii) To provide service training to young men so as to stimulate interest in the defense of the country, and
- iii) To build up a reserve of potential officers so that the defense of the country can expand in national emergency.

The immediate benefit of N.C.C. training is the improvement in physique and mental alacrity cultivating a sense of pride in smart turn out and bearing, fostering a sense of discipline and responsibility, development of personality and an aptitude for leadership, and the inculcation of the principles and practice of military service. In Christ College we have senior division N.C.C. units for men and women.

#### **12. THAVANISH**

Thavanish is a students' social organisation of our college with a motive of uplifting and supporting the financially backward, mentally or physically challenged and destitute people to lead a better life in the society. By providing financial and medical aid to the drownteodden sections of our society, Thavanish develops and grows the feeling of social responsibility and humanitarian services in the budding minds of our students. Visits to orphanages, old age homes and special schools enable our students to understand the plights of different people in our society.

#### **13. FINE ARTS ASSOCIATION**

With a view to promote Fine Arts, the organisational set up of the Association is made in such a way as to take provision for better staff involvement and student participation.

## XXIII COLLEGE ANTHEM

കാരുണ്യക്കൈവിളക്കായുള്ള ജ്യോതിസ്സേ  
നേരായ മാർഗ്ഗം നീ കാട്ടേണമേ  
ഇത്തിരി മുമ്പോട്ടു പോകുവാനായെന്റെ  
ഉൾത്തിരിയൊന്നു കൊളുത്തേണമേ

സത്തായും ചിത്തായും സർവ്വസ്വാതമാവായും  
സത്യത്തിൻ തത്വമേ നീ ലഭിച്ചു  
കാണായവയ്ക്കെല്ലാം കണ്ണിൽ പൊരുളായി  
കാണപ്പെടാതെയിരിക്കുവോനേ

ഞാനൊരു മൺതരി മാത്രമാണെങ്കിലും  
നൂനമവിടുത്തെ സൃഷ്ടിയല്ലോ  
കൈവിടാതെന്നെ നീ കാരുണ്യകാതലേ  
കൈവല്യദാതാവേ കൈ തൊഴുന്നേൻ  
കൈ തൊഴുന്നേൻ കൈ തൊഴുന്നേൻ

## **RAGGING IS STRICTLY PROHIBITED IN THE COLLEGE CAMPUS**

Ragging means doing of any act, by disorderly conduct, to a student of an educational institution which causes or likely to cause physical or physiological harm or raising apprehension or fear or shame or embarrassment to that student and includes:

1. Teasing, abusing or playing practical jokes on, or hurting, student; or
2. Asking a student to do any act or perform something which such student will not, in the ordinary course, willingly do.

**If any incident of ragging comes to the notice of the authority, strict actions will be taken against that student immediately.**

As a measure for preventing the menace of ragging in the college campus, and as per the directions of the Honourable Supreme Court, UGC., University and Government, an Anti Ragging Squad has been constituted consisting of the following members.

Sl. No	Name	Helpline Phone No.
