Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		<p>In 2016, the College formed an ICT team to promote online education and to integrate it with the conventional teaching- learning process. Thus, the College could easily sail over the turbulence of the Covid-19 pandemic due to the well established ICT integration and e-learning practices. All students and teachers are enrolled in Moodle LMS. Students were given Video tutorials and live online classes covering syllabus. They were also provided with reading materials in pdf format. Practice questions are created as MCQs (Multiple Choice Questions) for the students to check their learning levels. Students were encouraged to clarify their doubts through online interactions.</p> <p>The high-quality video tutorials are created in the dedicated audio video laboratory under the supervision of Christ OCW coordinator. College has appointed professional videographer/editor for the purpose of creating quality video lectures. To help the slow learners, some of the contents are prepared in vernacular language.</p> <p>Our education portal provides open access to university level education for enrolled students as well as for self-learners. Thirty four courses are now complete in the portal. The audit courses (Four) of University of Calicut are used by many students outside the College. College has developed five foundation courses for all first-year students. The courses coming under curriculum are well received by students. Christ College configured its own opencourseware portal- Christ OpenCourseWare (https://www.christopencourseware.com/) and programs having all the four quadrants of MOOC education specified by UGC. Foundation courses introduced as a part of Bridge course training are provided in the above portal. A number of value added courses are also available in the online mode.</p> <p>The College ICT team is now equipped to conduct training on Moodle and other online learning resources for neighbouring educational institutions. Coaching for competitive exams like JAM, NET etc are given through Moodle LMS. College has now two dedicated Youtube channels for education with more than 700 high quality video lectures. They are www.youtube.com/Christopencourseware and www.youtube.com/c/ChristOpencoursewareBeta.</p>
