## Remote Sensing & Geographic Information System (Value Added Certificate Course) Summary Report 2018

**Course Code:** GEO01RSGIS

The course started on August 6, 2018. There were 15 students and 13 students completed the course. 2 students dropped the course as they got job in Mumbai. The course was of 60 hrs. duration (24 theory hrs. and 34 practical hours). Students enjoyed the course and appreciated the efforts of the department in initiating such a course that would benefit their future endeavours

### **Course Outcome:**

The students were satisfied with the class. They were given different aspects of GIS and Remote Sensing. This helped them to study the application perspectives of cartography and spatial data. The course helped them to realize the importance of geoprocessing and spatial analysis in geological as well as environmental research. More perspectives on GIS applications in various fields like planning, disaster management were appreciated by the students.

**Course Coordinator. Linto Alappat**

**Fr. Dr. Jolly Andrews**  
Assistant Professor-  
In-charge of Principal  
Christ College (Autonomous)
