INTRODUCTION

The office of Controller of examinations of Christ College (Autonomous) was established in 2015, when the College was elevated to autonomous status and its duties and responsibilities were formulated at par with the guidelines of the affiliated University and UGC. The office is the authority of conducting all end semester/year examinations and its responsibilities are executed according to the approved examination manual by the affiliated University. Since the conduct of examinations has a central role in the assessment of students' performance, the office of the controller of examinations shoulders its responsibility in a very transparent, confidential and efficient manner. The office had implemented ERP based examination automation system from the inception of autonomy and almost all its functions are executed in online mode. The office keeps following chronological functions in discharging its major responsibilities.

The office of the controller of examinations prepares the tentative examination calendar for the End Semester/Year examinations in consultation with IQAC and the responsibilities of the office are discharged in accordance with the same. Based on the schedule, this office notifies and communicates its announcements to the departments, and publishes the same in the college website and notice board for students. The fees structure followed for the examination office services are complying with that of affiliated university. Examination monitoring committee is entrusted the duty of smooth conduct of examinations.

The Examination Monitoring Committee is entrusted to do following duties

- Surprise visit in examination rooms to check malpractices if any
 - Conduct hearing of malpractices reported and finalize its procedures.
- Verify certificates submitted by students for granting grace mark and approve the claims according to the guidelines of the university

Sequential activities of Office of Controller of Examinations

Appointment of Department level Chairpersons (For odd and even semester exams)	August
Approval of Syllabus by Chairperson (For odd and even semesters)	August
Attendance closing and dues settlement	September end (Odd semester)
	February end (Even semester)
Notification of Exams and registration	October/November (Odd semester)
	March/April (Even semester)
Publishing of Timetables	October/November (Odd semester)
	March/April (Even semester)
Hall Tickets	Three days prior to Commencement of exams in student login
Commencement of Exams	October/November (Odd semester)
	March/April (Even semester)
Practical/Project/ Viva exams	After completing theory exams and schedule as per discretion of Chairperson
Pass board meeting and Publication of Results	Within 15 days from the last exam
Publication of Marklists	In Student login for one month after publishing results
Submission of Revaluation/Photocopy/scrutiny etc application	15 days from the declaration of results
Publication of revaluation results	Within one month after last date application submission
Submission of application for grace mark	July/March

Reforms implemented during 2023-24

- Digital valuation started. I Semester UG November 2023 and II Semester UG April 2024 valuation conducted in online mode and results published.
