## INTRODUCTION

The office of Controller of examinations of Christ College (Autonomous) was established in 2015, when the College was elevated to autonomous status and its duties and responsibilities were formulated at par with the guidelines of the affiliated University and UGC. The office is the authority of conducting all end semester/year examinations and its responsibilities are executed according to the approved examination manual by the affiliated University. Since the conduct of examinations has a central role in the assessment of students' performance, the office of the controller of examinations shoulders its responsibility in a very transparent, confidential and efficient manner. The office had implemented ERP based examination automation system from the inception of autonomy and almost all its functions are executed in online mode. The office keeps following chronological functions in discharging its major responsibilities.

The office of the controller of examinations prepares the tentative examination calendar for the End Semester/Year examinations in consultation with IQAC and the responsibilities of the office are discharged in accordance with the same. Based on the schedule, this office notifies and communicates its announcements to the departments, and publishes the same in the college website and notice board for students. The fees structure followed for the examination office services are complying with that of affiliated university. Examination monitoring committee is entrusted the duty of smooth conduct of examinations.

The Examination Monitoring Committee is entrusted to do following duties

- Surprise visit in examination rooms to check malpractices if any
- Conduct hearing of malpractices reported and finalize its procedures.

Verify certificates submitted by students for granting grace mark and approve the claims according to the guidelines of the university
