CHRIST COLLEGE IRINJALAKUDA

QUIZ CLUB

OUR TEAM!!

Christ College, Irinjalakuda is always proud to promulgate its prestigious legacy in the field of quizzing. We have an actively interfering, energetic quiz club having enough memories regarding glories. We are proud to introduce our quiz club family before you all along with the activities during this year. We used to pay interest to gather student's attention through different activities including our Facebook page and let us inform you that ours is one of the highly strengthened clubs in our college. Our moto is not absolutely to create fantastic quizzers but to accelerate the passion of quizzing in students. We are always blessed to have a bunch of cheerful, enthusiastic students every year and they form the real assets of quiz club.

We follow our own way of presentations, truly unconventional which proclaims our uniqueness. Mega quiz sponsored by Dubai chapter alumni is one of the remarkable quizzes conducted by us. Last year, we were able to conduct the prelims of quiz for D Zone selection. Moreover, our college was one of the 10 colleges in our district opted for campus quizzing related to Mathrubhumi aksharolsavam -2019. Our quiz club cooperated with them to make the programme a huge success. Inter collegiate quiz competitions are also our matter of interest. We also conduct thematic quizzes to highlight certain important dates and events.

Christ College Irinjalakuda is always a fertile soil for the quizzers to emerge. Christ College quiz club is regarded as the family of such talented quizzers and people who showcase love towards quizzing. Even amidst the challenges imposed by the Covid -19 pandemic, our club managed really well to carryout routine activities and events. A farewell meeting was organised via Google meet on 6th August 2020. Last year executives, active members of quiz club, coordinators and mentors of the club had participated. We have a highly vibrant, whatsapp group for the club. It became more active after the entry of newcomers. We were able to flourish a new quizzing routine of sharing questions and seeking answers through the whatsapp group. It was highly accepted and each and every member got used to with the same. As a part of the introduction of this idea, we conducted a prime-time quiz on 28-12- 2020. Aiswarya Nair of 1st BSc Physics and Orma M. M of 1st BSc Computer Science shared the title.

Later a grand online quiz competition was conducted on General knowledge and Current Affairs under the name 'General Quiz' on 5-3-2021. It comprised of both prelims and mains round. About 50 students were participated in the prelims and 6 toppers were selected for the mains. Well known quizzier and former student coordinator of our club Mr. Alok Pellisery mastered the mains round. The event was a great success due to the active participation of the enthusiastic finalists. Anil Mathew of 2nd B A Economics, Lakshmi A K of 3rd B A Functional English and Amal Mathew of 1st B A Economics achieved the first 3 positions.

In a nutshell, club never let it to be stagnant during the academic year. Even without having a favourable atmosphere to conduct offline general body meetings, we managed our maximum to maintain the dynamic nature of the club. Huge number of students were attracted to the club during the last academic year 2020-21 and we hope to continue the good work forward.

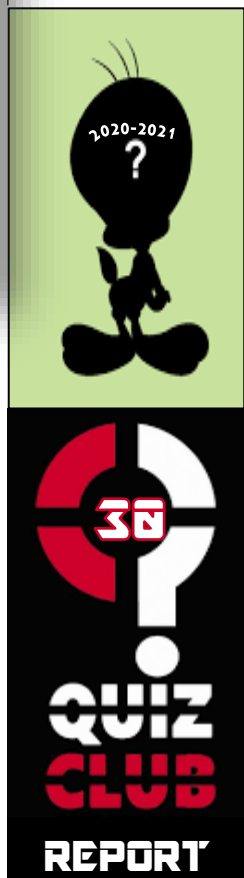

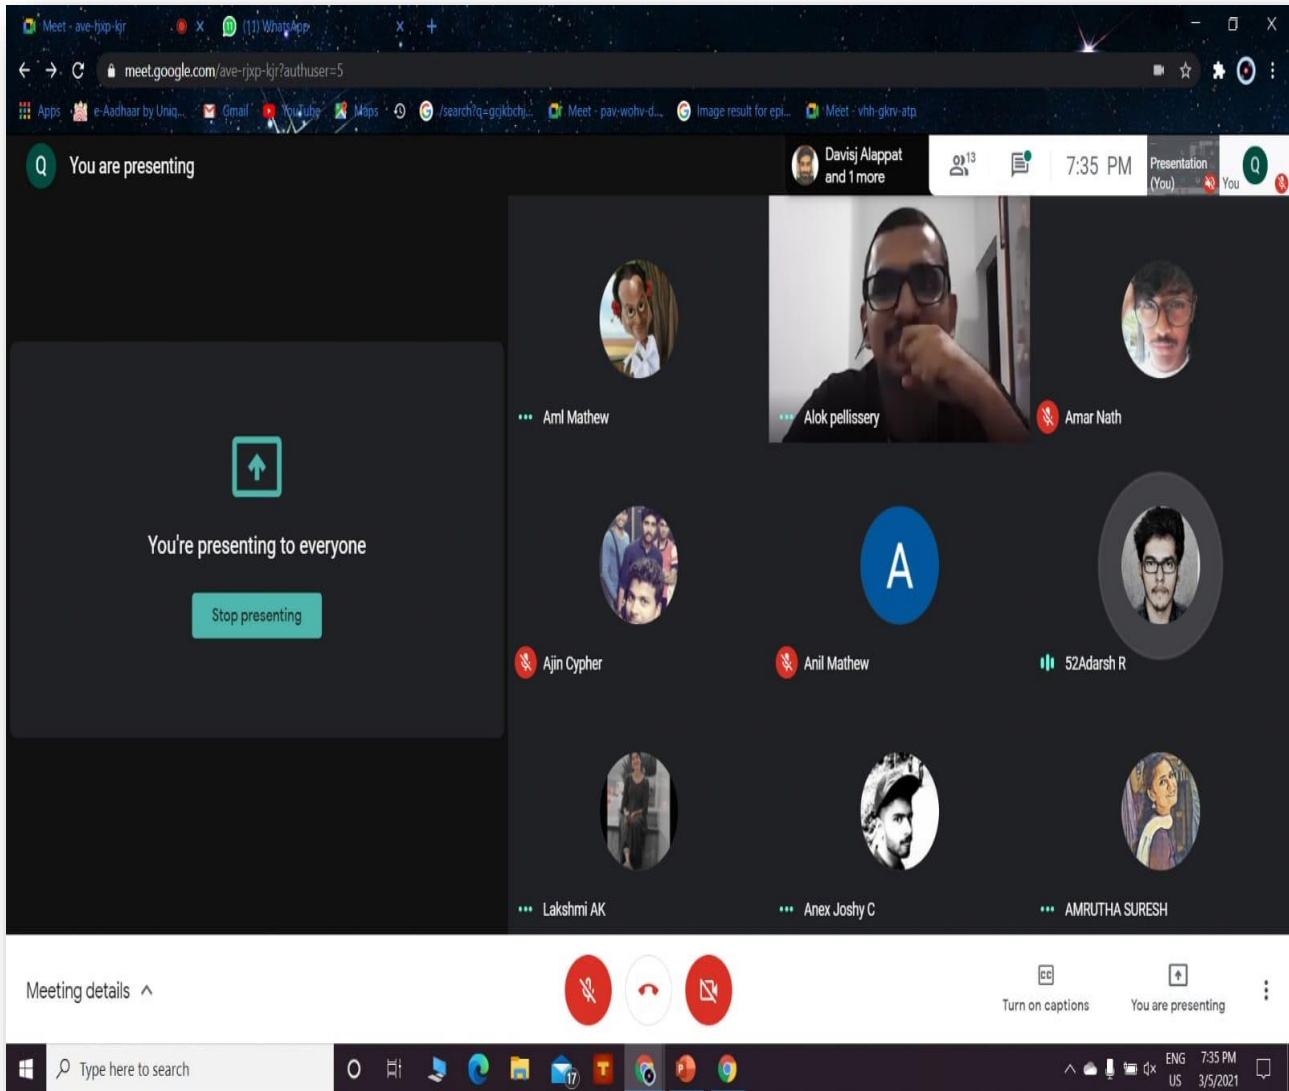

PRIME TIME QUIZ

28-12-2020

LEADERBOARD

Name	Class	Points
Aiswarya nair	Bsc physics 1st yr	10
Orma M M	Bsc CS 1st yr	10
