DISASTER MANAGEMENT (Value Added Certificate Course)

Summary Report 2020

Course Code: CPCC23

Recent years we have gone through many tough times because of natural disasters including flood, landslide and drought. Many of the disasters though appear to be natural, we can see the hidden anthropological activities behind. Society should have a good awareness about the disasters and how to respond to them. Department of Geology & Environmental Science of Christ College has come forward with a Massive Open Online Course (MOOC) in disaster management. This course is based on the audit course syllabus of University of Calicut (Semester 2-Equivalent to the audit course). The course will be conducted online.

Course Outcome:

The students were satisfied with the class. They were given different aspects of Disaster management. This helped them to study the all aspects of disaster management. This helped them to realize the importance of disaster management.

Course Coordinator: Dr. Subin K Jose

Fr. Dr. Jolly Andrews
Assistant Professor-
In-charge of Principal
