WORKSHOP ON SCIENTIFIC WRITING AND PUBLISHING

To Register

CLICK HERE

Date: 24th to 30th June 2025

**Venue: Seminar hall,
Snehabhavan Block**

Overview:

This workshop is ideal for faculty members and research scholars who are ready to publish their research. The Author Workshop for Researchers is a comprehensive event designed to equip researchers with the skills and knowledge necessary to successfully publish their research papers in academic journals. This workshop is particularly focused on integrating modern AI tools and providing guidance on journal selection, ensuring participants are well-prepared to complete and submit their manuscripts. Join us for an intensive workshop designed to help authors craft quality manuscripts that are attractive to SCI-indexed journals.

Key Topics:

- **AI Tools for Research:** Learn how to leverage AI to enhance your research and writing process.
- **Citation Tools:** Discover the best tools for managing and formatting citations.
- **Components of a Scientific Article:** Understand the essential elements that make up a compelling scientific paper.
- **Publication Ethics:** Gain insights into ethical considerations in publishing.
- **Handling Peer Review Comments:** Learn strategies for effectively responding to peer review feedback.

Who Should Attend:

- Faculty members and Research scholars

Registration Details:

- **Fee:** Rs. 1000
- **Pre-registration:** The fee will be refunded upon submission of your paper to an indexed journal
- **Registration Deadline:** 23rd June 2025
- **On-the-spot Registrations:** Not available

Why Attend:

This comprehensive workshop is designed to equip researchers with the skills and knowledge necessary to successfully publish their research papers in academic journals. The workshop fosters a vibrant peer learning environment, encouraging participants to share insights, exchange ideas, and grow together through collaborative learning.
