DIARY - TEACHING STAFF 2017 - 18

Name.....Dr. JOSHEENA JOSE

Designation.....Assistant Professor

Department.....Commerce

FOREWORD

Dear Teachers,

Modern education encompasses the entire arena of human development. Our mission to improve quality education along with inculcation of moral values has increased our responsibilities. Following to our busy academic schedule, we seldom plan and record academic events. Following a teaching plan and adhering to the examination calendar will improve the academic performance of our students. Maintaining a systematic record of academic events will improve teaching performance and also will help us during our performance grading. It is at this juncture that the teacher's diary becomes relevant. I hope you will make use of this diary to its full extent to make Christ College (Autonomous) a better place for our students.

Wish you all the best

Irinjalakuda,
