

Beyond the Campus initiatives

Green Nature Award: Christ College (Autonomous) has established the Green Nature Award to recognize educational institutions for their commendable efforts in conserving natural resources, particularly through the promotion and cultivation of local varieties of jackfruit and mango trees within their campuses. This prestigious award aims to inspire and incentivize educational institutions to take proactive steps towards environmental protection and nature conservation, fostering a culture of sustainability and ecological stewardship within the academic community.

The 2022-23 Green Nature Award ceremony took place on March 28, 2023, at the Jose Thekkan Seminar Hall of Christ College (Autonomous), where Rajagiri college of social sciences (Autonomous), Kalamassery was honored as the recipient of the award. Additionally, special recognition was bestowed upon Yuvakshetra Institute of Mangement Studies (YIMS), Palakkad and Pocker Sahib Memorial Orphanage College, Tirurangadi. Dr. Sabu Thomas, Hon. Vice Chancellor of the MG University, graced the event as the Chief Guest, while Rev. Fr. Franco Chittilappilly CMI, Councillor for Finance & Agriculture, Devamatha Province, Thrissur, delivered the benedictory address.
