HACCP LEVEL 3

(Value Added Certificate Course)

Summary Report – HACCP 2018

Course Code: HACCP19

The course started on April 25, 2018. There were 22 students successfully completed the course. The course was of 30 hrs duration. Students enjoyed the group activity and, in their feedback, requested for more such sessions in the future.

Course Outcome:

The students were satisfied with the class. This class equipped them to identify hazards and risk in the production procedures. They were given different aspects of food quality assessment. This helped them to study the importance of different types of hazards and its complications. This helped them to realize the importance of food hygiene and sanitation.
