HACCP LEVEL 3

(Value Added Certificate Course)

Summary Report – HACCP 2019

Course Code: HACCP20

The course started on February 27, 2019. There were 24 students successfully completed the course. The course was of 30 hrs duration. Students enjoyed the group activity and, in their feedback, requested for more such sessions in the future.

Course Outcome:

The students were satisfied with the class. Students understand to develop HACCP based food safety management. They were given different aspects of food quality assessment. This helped them to study the importance of different types of hazards and its complications. This helped them to realize the importance of food hygiene and its implementation in food industry.
